NCYCLOPEDIA OF ANIMATED

NATURE—A BOOK THAT IS REALLY ALLLIFE.

EVERY FAMILY SHOULD HAVE IT.—LIVING NATURE IN ALL ITS FORMS.

The only book of its kind ever published, which gives Pictorial Representations and Popular Descriptions of the History, Habits and modes of life of all the classes of living beings on the earth, in the ocean and in the air. Uniform retail price,

In One Quarto Volume 1050 Illustrations, Muslin Gilt Back and Center, \$3.00. The same—Extra Red Turkey Morocco, Gilt Edges and Full Gilt Sides, \$5,00. S5,00. Books upon almost every other subject have been circulated among the people, except those relating to the very
interesting and important one of Natural History. The
books which have heretofore been published on this subject, have been adapted to mere children, or to those who
made it a thorough study. Hence, very few of the millions
of readers in this country have, within their reach, anything satisfactory upon this subject. This indicates a
great and an obvious want, as no subject is more intensely
interesting, and none more improving, than that of the
living beings that people the globe. This want we are confident we fully meet, in the work we here offer to the public. This Book is not for sale in Bookstores, but can be ordered from us direct, or obtained from our Canvassing

Agents.

THIE LIFE and TIMES of ALEXANDER HAMILTON; by Samuel M. Smucker, A. M., author of the Life and Reign of Nicholas I, of Russia. &c., &c.
