—A WHOLE LIBRARY IN ITSELF!—COST \$11,000—70 MAPS—700 ENGRAVINGS.—A HISTORY OF ALL NA-

TIONS,
From the earliest period to the present time, the history of every nation, ancient and modern, being separately given. By S. G. Goodrich, author of several works of History, 'Peter Parley's Tales,' &c.

It is believed that the above work will be very acceptable to the American public. It is the result of years of toil and labor, assisted in his researches by several scholars of known ability, and has been got up at a great expense by the proprietors. No pains have been spared in the execution of the Hlustrations and Maps, which are prepared expressly for this work. Indeed, all the other historical writing of Mr. Goodrich, sink into insignificance, when compared to this, the result of his riper and maturer years. It is admitted that one hundred dollars could not purchase the same matter in any other shape, and the publishers

THE BOOK OF THE AGE.—"'TIS

MUCH TO SAY, YET TRUTH TO SAY IT."—REC-GLLECTIONS OF A LIFETIME, OR MEN AND THINGS I IIAVE SEEN IN EUROPE AND AMERICA, By S. G. Goodmen, the veritable "Peter Parley," author of "The History of all Nations," &c., &c. In two volumes, 150 pp. large 12mo. 25 engravings, including an accurate Steel Portrait of the Author. Price, Black or Scarlet 150 pp. large 12mo. 25 engravings, including an accurate Steel Portrait of the Author. Price, Black or Scarlet Cloth, \$200; Scarlet cloth, gilt edges, \$4; Half calf, marble edges, \$5; Gilt Edges, \$7.

This work embraces the prominent public events of the last half century, both at home and abroad; a complete autobiography of the author—his early days, education, and literary career; and an amount of original, curious, and valuable personal incident, anecdote and description, seldom, if ever, met with in a single work. It is the author's life-long work, and nothing superior if equal to it in blended amusement and instruction, has ever been published. Mr. Goodrich is the author and editor of 170 volumes, of which seven millions of copies have been sold! and this the great work of his life time, embodies the condensed substance of his ample literary and practical experience; the war with England in 1812-14, in which Mr. Goodrich was a private soldier; the Hartford Convention, whose operations took place under his immediate observation, and with most of the members of which he was personally acquainted. Embracing curious and interesting details respecting old Jeffersonian Democracy, Old Federalism, and Connecticut Blue Lights; curious and marvellous events connected with the rise and progress of religious sects in the United States; with descriptions of the French Revolution of 1838, and Louis Napoleon's Coup d'Etat, both of which the author witnessed. Also, a full account of the 'Feter Parley's Tales,' of which four millions have been sold.

In the course of the work will be found pen and ink

ions have been sold.

In the course of the work will be found pen and ink portraits of over Two Hundred celebrated persons—Presidents, Vice-Presidents, Kings, Queens, Emperors, Sobliers, Poets, Wits, Enthusiasts, Physicians, Lawyers, Politicians, Diplomatists, &c.—all described from personal acquaintance of the characteristics.

30. oks upon almost every other subject have been circuit these relating to the year Books upon almost every other subject have been circulated among the people, except those relating to the very interesting and important one of Natural History. The books which have heretofore been published on this subject, have been adapted to mere children, or to those who made it a thorough study. Hence, very few of the millions of readers in this country have, within their reach, anything satisfactory upon this subject. This indicates a great and an obvious want, as no subject is more intensely interesting, and mone more improving, than that of the living beings that people the globe. This want we are confident we fully meet, in the work we here offer to the public.
