TO LIBRARY IS COMPETE WITH-OUT IT.—TESTIMONY OF SINTEEN THOUSAND PURCHASERS.—MAUNIFICENT WORK OF HISTORY!

—A WHOLE LIBRARY IN ITSELF!—COST \$11,000—70
MAPS—700 ENGRAVINGS.—A HISTORY OF ALL NA-

TIONS,
From the earliest period to the present time, the history of every nation, ancient and modern, being separately given. By S. G. Goodbeck, author of several works of History and the control of th

given. By S. G. Goodrich, author of several works of History, 'Peter Parley's Tales,' ac.

It is believed that the above work will be very acceptable to the American public. It is the result of years of toil and labor, assisted in his researches by several scholars of known ability, and has been got up at a great expense by the proprietors. No pains have been spared in the execution of the Illustrations and Maps, which are prepared expressly for this work. Indeed, all the other historical writing of Mr. Goodrich, sink into insignificance, when compared to this, the result of his riper and maturer years. It is admitted that one hundred dollars could not purchase the same matter in any other shape, and the publishers confidently expect, in consideration of the great literary value of the work, the large sum expended in preparing it for the press, and the exceedingly moderate price at

agent, WE will send copies by mail, postage pre-paid to any part of the United States, upon receipt of the retail

price.
N.B.—The one volume copies, weighing over four pounds, cannot be sent through the mail, but the two volume copies can be mailed as two books.

The books which have heretofore been published on this subject, have been adapted to mere children, or to those who made it a thorough study. Hence, very few of the millions of readers in this country have, within their reach, anything satisfactory upon this subject. This indicates a great and an obvious want, as no subject is more intensely interesting, and none more improving, than that of the living beings that people the globe. This want we are confident we fully meet, in the work we here offer to the public.
