ANN ARDOR, November 6, 1856.

Prop. O. J. Wood—Dear Sir: I have heard much said of the wonderful effects of your Hair Restorative, but having been so often chented by quackery and quack nostrums, hair dyes, de., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted queck remedies, until I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and nimd. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my scepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidently recommend its use by all who would have their hair restored from white or gray for reason of sickness or age,) to original color and beauty, the who would have their hair restored from white or gray (by reason of sickness or age,) to original color and beauty, and by all young persons who would have their hair beautiful and glossy.

Very truly and gratefully yours,

SOLOMON MANN.

FRIEND Wood: It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs. Mann's hair, as the surest test of its power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again, very respectfully and truly, yours, SOLOMON MANN.

Carlyle, Ill., June 28, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and I have Restorative it has recommon doubt, permanently so.

THE LIVER INVIGORATOR!-PREPARED BY DR. SANFORD.—Compounded entirely from GUMS is one of the best purgative and Liver medicines now before the public, that acts as a Cuthartic, easier, milder, and more effectual than any other medicine known.
