The number of years that we have been engaged in the Fur business, and the general character of our Furs, both for quality and price, is so generally known throughout the Country, that we think it is not necessary for us to say anything more than that we have now opened our assortment of FURS, for the Fall and Winter Sales, of the largest and most beautiful assortment that we have ever offered before to the public. Our Furs have all been Imported during the present season, when money was scarce and Furs much the public. Prof. O. J. Wood—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative; we did so with little hope of success, but, to our surprise, and that of all cur friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can, therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair.

We are, yours respectfully,

Prof. O. J. Wood—Dear Sir. I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My Hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.
