MORE THAN 500,000 BOTTLES SOLD IN THE NEW ENGLAND STATES IN ONE YEAR.—The Restorative of Prof. Wm. Wood has been used by hundreds of thousands, and permanently, has never yet had a rival, volume after volume being given from all parts of the world, and from the most intelligent, to put it to the test, and her head is now covered completely with the finest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and by its use itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance, and to do so in the most judicious way of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and that it is necessary to take the greatest care of it, and to use the best articles for its preservation.

Prof. Wm. Wood & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your best agents (Dr. M. H. Perkins) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio or some State in the West, should you wish to make such an arrangement, and an convincing one to you, I am satisfied I must sell.
