DALLEY'S MAGICAL PAIN EXTRACTOR in its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. NORE THAN 500,000 BOTTLES SOLD IN THE NEW ENGLAND STATES IN ONE YEAR.—The Restorative of Prof. O. J. Wood for restoring bair perfectly and permanently, has proper wet had a wired YEAR.—The Restorative of Prof. O. 3. Wood for restoring hair perfectly and permanently, has never yet had a rival, volume after volume might be given from all parts of the world, and from the most intelligent, to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following:

REF THE HAIR.—People have for centuries been afflicted with bald heads and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know of a lady who was bald, who used the article a short time, and her head is now covered completely with the tiniest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been before.

fore.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to. It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—Woman's Advo-

Cocnocton, Ohio, Nov. 17, 1856.

O. J. Wood & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your local agents (R. M. Hackinson.) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio or some State in the West, should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell.

Yours truly,

S. T. STOCKMAN.

WAYLAND, Mass., Feb. 5, 1857.

Pror. O. J. Wood & Co.—Gents: Having realized the good effects of your Hair Restorative. I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours. &c.,

It is not only a Cathartic but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the bowels and stomach to carry off that matter; thus accomplishing two purposes effectually, without any of the painful feeling experienced in the operations of most Cathartics.
