AND THE HAIR.—People have for centuries been afflicted with bald heads and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, be-cause they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnest-ly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know of a lady who was bald, who used the article a short time, and her head is now covered completely with the tiniest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been be-fore.

It is also without doubt one of the best articles for fore. It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the great-est enemy to all the ills that hair is heir to. It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—Woman's Advo-cate, Philadelphia. cate, Philadelphia.

Coencorron, Ohio, Nov. 17, 1856. O. J. Woop & Co.-Genta: As I have been engaged in selling your Hair Restorative the last season for one of your local agents (R. M. Hackinson.) and having experien-ced the beneficial effects of it myself, I would like to ob-tain an agency for the State of Ohio or some State in the West, should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the hair. I have been engaged in the Drug business for several years, and have, sold various preparations for the hair, but have found nothing that re-stores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell. Yours truly, S. T. STOCKMAN. Cochocton, Ohio, Nov. 17, 1856.

WAYLAND, Mass., Feb. 5, 1857. WAYLAND, Mass., Feb. 5, 1857. PROF, O. J. Wood & Co.-Gents: Having realized the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was in-duced from what I read and heard, to try the article pre-pared by you, to promote its growth and change its color as it was in youth, both of which it has effected complete-ly. In the operation I have used nearly three bottles. Yours. &c., JAMES FRANCIS. O. J. Wood & Co., Proprietors, 312 Broadway, New York, (in the great N. Y. It is not only a *Cathartic* but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the bowels and stomach to carry off that matter; thus accomplishing two purposes effectually, without any of the painful feeling experienced in the operations of most *Cuthartics*.
