ATT THE HAIR.—People have for centuries been afflicted with bald heads and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, be-cause they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we carnest-ly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know of a haly who was bald, who used the article a short time, and her head is now covered completely with the tinicst and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been be-fore.

THE LIVER INVIGORATOR!-PREPARED BY DR. SANFORD.—Compounded en-ely from GUMS is one of the best purgative and Liver edicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a *Catharlic* but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the bowels and stomach to carry off that matter; thus on the bowers and stomach to carry on that matter; thus accomplishing two purposes effectually, without any of the painful feeling experienced in the operations of most (utharties. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses will strengthen and build it up with unusual rapidity.
