PROFESSOR WOODS HATE RESIDENTIAL AND A CONSTRUCTION

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since: DEEP RIVEE, CONN, July 23, 1856.

DEEP RIVEE, CONN, July 23, 1856. Mr. Leavenworth—Sir: I have been troubled with dan-druff or sourf on my head for more than a year, my hair began to come out, sourf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the lst of April last, and purchased one bottle to try it, and I found to my satisfac-tion it was the thing; it removed the scurf and new hair began to grow; it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Lost, the bearer of this. I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here. Yours with respect, RUFUS PRATT

PHILADELPHIA, Sept. 9, 1556. PROF. WOOD-Dear Sir: Your Hair Restorative is prov-ing itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact BALD. I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a prom-ising crop of yourg hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recom-mendation, I can induce many others to try it. Yours respectfully, D. R. 'THOMAS, M. D. No. 464 Vine street.

VINCENNES, IA., June 22, 1853. PROF. O. J. WOOD: As you are about to manufacturo and vend your recently discovered Hair Restorative, I will state, for whomseever it may concern, that I have used it and known others to use it—that I have, for several years been in the habit of using other Hair Restoratives, and that I find yours yastly superior to any other I known the heen in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanees the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance; and all this, without discolor-ing the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desi-rous of having a fine color and texture to hair. Respectfully yours, WILSON KING, O. J. Woon & Co., Proprietors, 312 Broadway, New York.
