TOY TO THE ADMIRERS OF A Talk of beauty, it cannot exist without a fine head of hair, then read the following, and if you ask more, see circular around each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all, old and young, to this wonderful preparation, which turns back to its original color, gray hair —covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous cruptions—causes a continual flow of the natural fluids; and hence it used as a recrular dressing for the hair will preserve its if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all in natural beauty. We call then upon the bald, the grey, or diseased in scalp, to use it: and surely the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thou-

thaven, received the following letter in regard to the Restorative, a few weeks since:

Deep River, Conn, July 23, 1856.

Mr. Leavenworth—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the 1st of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing; it removed the scurf and new hair began to grow; it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here.

NUFUS PRATT

PHILADELPHIA, Sept. 9, 1856. PHILADELPHIA, Sept. 9, 1856.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact bald. I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it.

Yours respectfully,

WOOD: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsover it may concern, that I have used it and known others to use it—that I have, for several years been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one

Charge of \$5 for Hemmers. 495 Broadway,.....New York. 730 Chestnut street,......Philadelphia.

These Machines sew from two spools, as purchased from These Machines sew from two spools, as purchased from the store, requiring no re-winding of thread; they Hem, Fell, Gather, and Stitch in a superior style, finishing each seam by their own operation, without recourse to the hand-needle, as is required by other machines. They will do better and cheaper sewing than a seamstress can, even if she works for one cent an hour, and are, unquestionably, the best Machines in the market for family sewing, on account of their simplicity, durability, case of management, and adaptation to all varieties of family sewing—executing either heavy or fine work with equal facility, and without special adjustment.

As evidence of the unquestioned superiority of their Machines, the Grover & Baren Sewing Machine Company beg leave to respectfully refer to the the following TESTIMONIALS.

"Having had one of Grover & Baker's Machines in my family for nearly a year and a-half, I take pleasure in commending it as every way reliable for the purpose for which it is designed—Family Sewing."—Mrs. Joshua Leavitt, wife of Rev. Dr. Leavitt, Editor of N. Y. Independent

Rheum Baldness, Erysipelas, Ringworm, Barber's Itch, Small Pox, Measles, Rash, &c., &c. DALLEY'S MAGICAL PAIN EXTRACTOR

DALLEY'S MAGICAL PAIN EXTRACTOR in its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, work-shop, or manufactory should be one moment without it.

No Pain Extractor is genuine, unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer.

THE LIVER INVIGORATOR!-PREPARED BY DR. SANFORD.—Compounded entirely from GUMS is one of the best purgative and Liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the bowels and stomach to carry off that matter; thus accomplishing two purposes effectually, without any of the painful feeling experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses will strengthen and build it up with unusual rapidity.
