TOY TO THE ADMIRERS OF A

FINE HEAD OF RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following, and if you ask more, see circular around each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all, old and young, to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous cruptions—causes a continual flow of the natural fluids; and hence if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the grey, or diseased in scalp, to use it: and surely the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thouever be without it. Its praise is upon the tongue of thou-

The Agent for Prof. Wood's Hair Restorative in New Mayen, received the following letter in regard to the Restorative, a few weeks since:

torative, a few weeks since:

DEEP RIVER, CONN, July 23, 1856.

Mr. Leavenworth—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the 1st of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing. It removed the scurf and new hair purchased one bottle to try it, and I found to my satisma-tion it was the thing; it removed the scurf and new hair began to grow; it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here.

Yours with respect.

I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whetever. I think from no your personal reconstructions.

PROF. O.J. WOOD: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that I have, for several years been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one

month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance; and all this, without discoloring the hands that apply it, or the dress on which it drops. THE LIVER INVIGORATOR!-PREPARED BY DR.
