Prof. M. McN. Walsh, the Principal of the Cassville Seminary, has recently been honored with the degree of Master of Arts, by one of the Colleges in New York.

It seems his friends in New York, made a complete surprise of it, for he knew nothing about their intention to procure the honor, until it was actually conferred. They then got some person, whose writing he could not recognize, to address an envelope to "Prof. M. McN. Walsh, A. M.," and inclosed a fancy sheet of note paper, on which were printed the following words: "If a warrior who has won many trophies, will not ask for the honors which he deserves, his friends beg leave to proffer them, and the plumes which they bring unsolicited, it is hoped, he will not refuse to wear." No names were given, and By J. Simpson Africa: Mr. Walsh entirely in the dark, cannot even surmise to whom he is indebted for the honor.

On the glorious Fourth day of July, 1776, was realized the prophetic inquiry: "Shall a nation be born at once?" and as the old State House Bell rang out its merry peals over the city of Penn, it signalized the birth of a free nation. May the annual recurrence of this day bring with it the homage

and adoration of a free and happy people.

THE LECTURE. -On Monday evening, according to previous announcement, H. Bucher Swoope, Esq., of Clearfield, delivered a lecture in the Town Hall, before the members of the Standing-Stone Literary Association, on "The History, Philosophy and Poetry of the Bible."

An invitation having been extended to the public to attend, the Hall was early filled with an intelligent and appreciative audience, anxious to hear this talented gentleman touch so sacred and interesting a topic. The meeting was called to order by the President, J. Simpson Africa, after which a prayer was offered to the Throne of Grace, by Rev. Zahnizer, of the Presbyterian Church. The President, in a few appropriate remarks, stated the object of the meeting and intimated the intention of the Association to give, at a proper season, a series of public lectures. He concluded, by introducing Mr. Swoope to the audience, who proceeded to deliver his lecture in that carnest, forcible and eloquent manner which characterizes all his public addresses. Our pen is unable to adequately describe the beauty, truthfulness and sublimity of the discourse; it must be heard to be

The "Standing-Stone" is receiving the the merited praise of its well carned reputation. EPILEPSY, OR FALLING FITS.

We believe we cannot do our readers a more important service, than by again calling their attention to that most remarkable preparation, discovered by Dr. Sch S. Hance, of Baltimore, Md., which possesses the power of alleviating and curing that horrid visitation of man—Epilepsy, or Falling Fits. In recommending this preparation to our readers, we do so with a conviction that we are not degrading our columns to puff a common patent medicine, but are placing before them a discovery, which, if fully known, would probably do more to alleviate human suffering, than any invention of modern times. Dr. Hance, in asking us to notice his preparation favorably in our editorial department, has sent us for perusal a number of letters from persons who have used his Pills, and have been cured thereby. All of them speak in the most grateful and eulogistic terms. One great advantage this medicine possesses is the fact, that it can be transported through the mails, therby affording every one an opportunity of deal-EPILEPSY, OR FALLING FITS. sesses is the fact, that it can be transported through the mails, therby affording every one an opportunity of dealing directly with the inventor, and also precluding all possibility of being imposed on by a counterfeit or spurious imitation. His prices are as follows: One box, \$3; two do., \$5; twelve do., \$24. All orders for the medicine should be addressed to Seyh S. Hance, 108 Baltimore street, Baltimore, Md.
