SUNDAY SCHOOL CELEBRATION AT MCCON-NELLSTOWN .--- On Saturday last we made good time in getting to McConnellstown, where we had been informed, considerable arrangements had been the order of the day for several days, to get up a Celebration for the amusement of the children, and the gratification of all who might be fortunate in being present. The School met in the M. E. Church, and after singing a hymn formed into.line, under the command of Gen. Is. Bumgarner, passed through the town, returned, and repaired to the beautiful grove, near the Railroad. Arriving on the ground, Hon. James Steel announced the orders of the day.-First, the assembly united in singing a hymn. Next,-prayer by Rev. Barnitz, of York .--Another hymn. Then followed an address by Rev. Barnitz, of York. Next a hymn. Then an address by John Williamson, Esg., during the delivery of which, the committee to prepare the table, removed the "kivers" when all eyes were set in that direction. We tried to look at the speaker, but there was no use trying, our eyes had discovered a roast pig on the table-as natural as life, only a little more so, and easier to take, so we surrendered to the pig. Mr. Williamson, after he saw the good things, also surrendered, and the assembly adjourned to the table .---

We have seen good tables in the woods on several occasions, but we think all who surrounded the table at the grove, at McConnellstown, on Saturday, will agree that it was a little more than extra-every thing of the best, and more than could be packed down.

Mrs. Israel Bumgarner has the thanks of our better-half for the large and most excellent cake she compelled us to carry home. After the scholars, teachers, parents and friends had fully enjoyed themselves in amusements and social conversations for several hours, they adjourned for their homes, to meet again on some future happy occasion, when we hope we may again be counted " in the ring."

SUNDAY SCHOOL CELEBRATION AT MARKLES-BURG.-We had the pleasure of being present at this Celebration on Friday last. The Schools had arrived at the grove, a short nounced the programme: The committee on does not stop. the table were appointed, and consisted of a

THE COLORED CAMP MEETING .- This "institution" has been in full blast since Friday last. On Sunday afternoon we visited the ground, and as near as we could judge, there must have been near a thousand persons in attendance. Hacks were running from and returning to town every hour during the day. and to a late hour in the night, keeping up a thick dust and a continual confusion. The night meetings take all our b'hoys out of town for a few hours, giving our good citizens a taste of that good order which might prevail in our midst if those in authority would but discharge their duty. The weather permitting, the camp will continue until Thursday

next. The County Fair will be the next "institution" in order. TAKE CARE OF THE LITTLE ONES .- The

nights and mornings begin to have an autumnish feel that admonishes us that the season for doffing cotton and linen, and donning woolen wear will soon be upon us. In fact, it is time even now to dress the "little folks" more warmly. Many a child has been brought to an untimely grave by unreasonable indulgence in bare arms and low necked dresses. Flannel is a great promoter of health and preventer of cholera morbus and dysentery-two diseases of which, according to high medical authority, more than any other two to which infantile flesh is heir .--We charge nothing for the advice.

A WORD TO THE BOYS .- Young lads, as well as some old enough to know better, are in the habit of entering gardens, by night and by day, and without permission from the owners, carry away any kind of fruit they can lay their hands upon-and very frequently destroy with their feet, vegetables of more value than the fruit they steal. Such conduct, on their part, may not seem to them as being very wrong, but if they will continue improving in their habis they will, in the course of a few years, find themselves students at one of the higher institutions. Boys take warning.

for One day last week, a boy of this place, was arrested and bound over to appear at Court, for stoning a neighbor's boy, and othwise annoying him. We forbear mentioning his name, on account of the respect we have for his parents, but say it served him right; and hope the warning may have the effect of opening the eyes of the boy, (if not those of distance from town, before we joined them. his parents,) that he may see the dreadful Dr. J. II. Wintrode took the stand and an- results his had conduct will lead him to, if he

large number of ladics and gentlemen. A hymn was then sung-next, prayer by Rev. Barnitz, of York. H. T. White, Esq., then addressed the assembly in an appropriate manner. Two members of the Huntingdon Continentals being present, sung one of their choice pieces. Rev. Bricker next addressed the assembly, during which the committee on the table attended to the duties assigned them. After the close of the address the several schools formed into line and proceeded to the table, where they found a full supply of good things were ready and in waiting. Of course, justice was done the table by all, young and old, and all appeared satisfied.-After dinner the schools again assembled in front of the stand, and listened to an excellent address by Rev. Barnitz, of York, after which the school adjourned for innocent amusement, and they had a good time generally. At an early hour in the evening the crowd dispersed for their homes, well pleased with the day's proceedings. We hope all may live to enjoy similar occasions, year after year, for many long years.

WHY IS IT ?--- We have a noticed for year past, that our exchanges from other counties are more liberally patronized with Sheriff sales than the Huntingdon papers. Is it because the people of our county are more in- cream. dustrious and less unfortunate than those of other counties ?---or is it because our excellent Sheriff, Graffius Miller, helps to build up rather than cripple the honest industry of of an honest people? We are inclined to believe, that what every body says must be true, that Col. Miller has been one of the best and most popular Sheriffs Huntingdon county has ever had-and the regret is general that he has determined to tender his resignation on the 2nd Tuesday of October next, to go into effect in November following, in favor of the gentleman receiving the proper endorsement by the people for said office. If the gentleman to be selected by the people should be as popular at the end of his term as Col. Miller is, there will be but few to regret his success.

THE COUNTY FAIR.—The Premium List may be found in to-day's Globe. County pride, if nothing else, should induce the farmers, the mechanics, and every other industrious calling, to give our next exhibition their earnest and early attention. Every one should have something on exhibition, and there are few who could not offer something to attract attention. Every body, their relations and friends, and the rest of mankind, must "pitch in," and make our exhibition what it should be, and can be, if all will feel the right interest in what should interest the whole county. We understand that Dr. J. H. Wintrode, of Marklesburg, has been selected to deliver the address.

THE STEAM GRIST MILL.--- Mattern & Harrison's new Grist Mill is now in operation. and we are informed that it works to the entire satisfaction of the enterprising gentlemen immediately interested.

Mr. John Wierley has taken the house, and will immediately have it fixed up in good style, and be prepared to accommodate his friends with the best ovsters and other luxuries. " Mount Vernon is located immediately opposite the Jackson Hotel on Railroad street.

EXCELSIOR.—The new wagon built for the Huntingdon Excelsior Brass Band, by Mr. Owen Boat, and ornamented by Rev. Barnitz. is now finished, and its beauty reflects great credit upon these two gentlemen and their assistants. The public may expect to see the wagon on the streets in a few days.
