THE BIBLICAL REASON WHY, A handsome book for Biblical Students and Sunday School Teachers, and a Guide to Family Scripture Reading, beautifully illustrated.—Large 12 mo., cloth, giltside and back. Publishers' price \$1.

This book makes the Bible a pleasant as well as profound subject of study. It leaves no difficult or obscure point unexplained. It renders every passage clear. It is exactly the volume that every family, which reads at all imperatively needs to place beside the Bible, as its best companion.

THIS VOLUME ANSWERS 1,493 QUESTIONS IN A CLEAR MANNER. TESTIMONIALS OF THE CLERGY.

"I have given some attention to the 'Biblical Reason Why,' and feel bound to say that it seems to me to contain a vast amount of information on Biblical subjects, convoyed in a clear manner, illustrated by many valuable cuts, and printed on good paper. It constitutes a valuable addition to the apparatus of the Teacher, Parent, and private Christian." Right Rev. ALONZO POTTER, D. D., LL. D.

Bishop of Pennsylvania.

"I have examined the 'Biblical Reason Why,' and find it to be a repartory of facts on Biblical subjects, set forth in a plain and intelligible way. Indeed, I am surprised at the amount of matter that is compressed into this volume. For use in families and schools, I consider it the best book of the kind I have seen."

Rev. JOHN MCGUNDOUS. Rev. JOHN McCLINTOCK, D. D., LL. D.,
President of the Troy University, and Pastor of St. Paul's
Church (Methodist Episcopal,) New York.

"The attention I have given your book satisfies methat it cannot fail to give important aid to all students of the Bible, and especially that large class who have neither time nor means to bestow on larger or more critical works. The plan of your work is excellent, and the matter well chosen. It should have a large circulation. It will certainly be of greatuse in the study of the Holy Scriptures."

To the President of the Pennsylvania Agricultural Society:—The subscribers, your committee to examine the contents of a Salamander Safe, of Evans & Watson, after being exposed to a strong fire on the Fair Grounds for eight being exposed to a strong fire on the Fair Grounds for eight hours, respectfully represent—

That after seven cords of oak wood and three of pine had been consumed around the Safe, it was opened in the presence of the committee, and the contents taken out, a little warmed, but not even scorched.

Several Silver Medals heretofore received by the manufacturers, and a large quantity of documents were in the Safe, and came out entirely uninjured.

The experiment satisfied us of the capacity of Safes of this kind to protect contents from any fire to which they

Son, Philadelphia.

Gentlemen:—The Salamander Fire-Proof Safe of your manufacture, purchased by us from your Agent, Ferris & Garrett, of our city, some nine months ago, was severely tried by burglars last Saturday night, and although they had a sledge hammer, cold chisels, drill and gunpowder, they did not succeed in opening the Safe. The lock being one of "Hall's Patent Powder-proof," they could not get the powder into it, but drilled a hole in the lower panel and forced in a large charge, which was ignited, and although the door, inside and out, showed the explosion not to have beer, a small one, it was not forced open. GREAT FIRE!—ANOTHER TRIUMPH!!

KNOXYLLE, Tennessee, March 13th, 1859.

Messrs. EVANS & WATSON, Philadelphia:

Genllemen—It affords me great pleasure to say to you that the Salamander Safe which I purchased of you in February, 1858, proved to be what you recommended it—a sure protection from fire. My storchouse, together with several others, was burned to the ground in March last.—The Safe fell through into the cellar, and was exposed to intense heat for six or eight hours, and when it was taken from the ruins and opened, all its contents where found to be in a perfect state, the books and the papers not being injured any whatever. I can cheerfully recommend your Safes to the community, believing, as I do, that they are as near fire-proof as it is possible for any Safe to be made.
