THE GLOBE.

Huntingdon, Wednesday, Oct. 31, 1860.

LOCAL & PERSONAL.

An Earnest Request .- We have published the Globe regularly for fifteen years, during which time thousands of dollars of arrearages for subscription and advertising, have accumulated upon our books. We have never pressed those of our friends in arrears, for a settlement. But now, as we have in contemplation some extensive improvements in the size and appearance of the Globe at an early day, we intend, before making those improvements, to have the wheat sifted from the chaff, and our books squared up. Therefore, all who are indebted to us are requested to call before the 1st of December and square their accounts. We hope there will be no delay on the part of all our patrons in arrears. We are politically defeated, but neither frightened nor dismayed.

A WEEK OF SPECIAL PRAYER .- It has been proposed to observe the week commencing with the first Tuesday in January next, as a season of special prayer for the conversion of the world. A similar season was quite extensively observed last January, at the instance of the American missionaries in Lodiana, India. At the request of the same brethren, the evangelical alliance has undertaken to bring the subject, as far as possible, before the minds of Christians throughout the world, and invite them to unite in this universal concert of prayer to Almighty God for those great blessings which the world so much needs. The committee and officers of the British alliance have issued a circular on the subject, which proposes that "the eight days from Sunday, January 6th to Sunday, January 13th, inclusive, be observed as a season of special supplication. This would leave the first few days of the year free for other engagements, to which in many cases, especially on the continent, they have long been devoted; and the commencement on the Lord's day would afford pastors and teachers an opportunity of urging the privileges of united prayer."

NEW REGULATIONS OF THE PENNSYLVANIA RAILROAD .- The Penusylvania Railroad Company has adopted the following new regulations. It would be well for passengers to take notice of them. The new rules provide that "Passengers from Stations where the Company has an Agent, who fail to procure tickets at the regular offices of the Company, will be required to pay an excess to the conductor. . The conductor will, in each case, give the person paying such excess, a ticket, which will be a receipt for the full amount paid, and will entitle the holder to receive a drawback equal in amount to the excess paid, if presented to any authorized Station Agent of the Company. This rule will be invariable, and the Conductors will be required to carry it out. Passengers from Stations where the Company has no Agent will be furnished with tickets by the Conductor, specifying the amount of fare paid, which ticket the Conductor will in all cases cancel and take up before the passengers leave the train."

CURE FOR BURNS .- The Gazette Medicale, of France says that, by an accident, charcoal has been discovered to be a cure for burns.-By laying a piece of charcoal upon a burn. the pain subsides immediately. By leaving the charcoal on one hour, the wound is healed, as has been demonstrated on several occasions. The remedy is cheap and simple, and certainly deserves a trial.

Wm. II. Armstrong, Engineer of the train that killed the men in this place at the time of the Encampment, appeared at Esq. Snare's office, voluntarily after the arrest of Conductor Roelof, and gave bail for his appearance at Court. The charge against Roelof and Armstrong is that of manslaughter.

THE LATEST FASHION .- The "jupon multiplc," is the name of the latest invented Paris petticoat. It does away with hoops and crinoline, "supporting itself by the harmonious and intelligent disposition of the waves of muslin of which it is composed." It can be modified or increased at pleasure.

LARGE CABBAGE. - We received by Mr. Bumgarner's Express, on Friday, four very large heads of Walker township Douglas cabbage, a present from John Vandevander, Esq. Though politically defeated our friends are determined we shall live. Mr. V. has our thanks.

FASHIONS FOR OUR LADIES .- The wife of one of the wealthiest merchant princes of New York, wore a dress at the great Academy of Music Ball, the three flounces of which alone cost a thousand dollars each. The lace used upon the dress was only two hundred and fifty dollars a yard.

To REV. B .- We did not preserve the copy, and therefore cannot say how near the compositor guessed the names of the party.-Names should be written plain, and every blank filled by the writer.

The Standing-Stone Guards will meet at the Court House, on Saturday, the 10th day of November, armed and equipped for parade and drill..
