The extent of their country and its fertility, their mighty rivers, their boundless lakes, their forests, their prairies, the gold regions they possess, the silver states and to hold conferences the states and to hold conferences the states and to hold conferences. regions they can seize at will, the command of two oceans, have been dilated missioners have also been sent by the upon as if they indicated an intrinsic Governor of Pennsylvania, to confer superiority in every citizen. The old with the Governor of Maryland, and Puritan feeling, that the Lord has given they have been received, though not the earth as an inheritance to His officially. The Border Slave States, saints, prompted a continual jubilation in the meantime, do not remain pason the subject of their natural advan- sive. Virginia is about to appoint tages which passed the bounds of wisdom and reverence. At a moment of each of the other States at Washwhen they seemed to grasp all of which ington, "with a view to agree, if posthey had ever dreamed, the American people have been stricken. The census of 1860 would have excited the world had not attention it was expected, would receive great been engrossed by the secession of the help should New Hampshire and Concity with its suborbs had attained to a population of more than a million, when the pioneers from east and west Whether these staunch little commuwere meeting amid the solitudes of the nities will abandon the "impracticable Rocky Mountains, when Mexico has been almost given over to conquest by the public opinion of Europe, the nation which had done, and which was to do, so much, suddenly fell to pieces. At this moment its fate cannot be divined this moment its fate cannot be divined month. That the sentiments expressed even by the most experienced. Amer- in England, may induce the Southernreiterate that there is to be no disruption, but they can give no reason for which is consistent with honor and their opinion, except faith in their self-respect, we firmly hope. Nor do SELLING OFF FOR CASH!! country's destiny, nor can they sug | we less desire to see the Americans at gest how the necessary reconciliation is to be effected. A politician of good nor adverse interests, nor geographical sense and feeling must, therefore, re- remoteness, nor discrepancies in instimember with chagrin a great deal of tutions, habits, and tastes, have dethe eloquence which has been hitherto stroyed the links which bind the two fashionable. But nothing ought he to nations together. regret more than the manner in which he and his countrymen have been accustomed to speak of England. After pointing out that England was inferior in size to the single State of Virginia, a speaker would commonly describe the people of this country as envying the prosperity of America, plotting to arrest her progress, misrep-resenting her institutions, slandering her statesmen, and, in fact, doing all which envy is capable of when it meets with superior virtue, energy, and suc-

ith superior virtue, energy, and sucless.

How far these assertions have been om the truth must now be plain to
the whole world. That the Americans of whole world. That the Americans of them we have no doubt, for from the truth must now be plain to the whole world. That the Americans believed them we have no doubt, for the Southern politicians have notoriously been counting on the hostility of England to the Union. They thought that their secession would be received with delight by the English people, and assisted with every Machiavellian art by our "aristocratic" Government. The event has been a surprise even to those who knew England best, and believed least in our antipathy to their country. Not only has the English press shown no joy at secession, given the Southern politicians have notori- TO PERSONS OUT OF EMPLOY-the trenson of a section of the President's Cabinet, and the weakness of Mr. Buchanan himself, were viewed by English society with a disapprobation which has influenced American arranted to be as represented, and satisfaction guaranteristics and if more vigorous measurements of the same cost. Severally, Sev ures for the salvation of the Republic be taken, it will probably be in some measure due to the fact that Englishmeasure due to the fact that Englishmen have openly expressed their astonishment at the doctrine that the United States constitute, not a nation, but a partnership of communities united only for convenience and during pleasure. But to the verdict of the public is now added the formal judgment of the Government and the Legislature. We esteem it a fortunate circumstance that the meeting of the British Parliamen have openly expressed their astonthat the meeting of the British Parlia-

great drama. The Queen's speech, and the address of both Houses in answer to it, put on record the national regret of the British people at the troubles which have befallen America. Solemnly do the Queen and the Estates of the Realm announce. regret of the British people at the troubles which have befallen America. Solemnly do the Queen and the Estates of the Realm announce that "it is impossible for them not to look with great concern upon any events which can effect the two two posses and welfare of the troubless of the two posses disposed to encourage the beautiful art. Nov. 28, 1860.

From Col. James Page.

Having occasion for a portrait, procured one from Mr. nobert Nevell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by hum, and the great the new process discovered by hum, and the great the concern upon any events which can be a concern upon any events which can be a concern upon any events which can be a concern upon any events of the second of the concern upon and the Estates of the Realm announce that "it is impossible for them not to look with great the concern upon any events which can be a concern upon any events when a concern upon any events which can be a concern upon any events when a concern upon any events when a concern upon any events when a concern upon any events whe affect the happiness and welfare of a people nearly allied to our own by deseent, and closely connected with them by the most intimate and friendly relations. Their heartfelt wish is that these differences may be susceptible of a satisfactory adjustment."

There have been times when such There have been times when such Intimident the satisfactory and the satisfactory and the satisfactory adjustment. In the satisfactory adjustment of the satisfactory adjustment of the satisfactory adjustment of the satisfactory adjustment.
