No. 724 Arch Street, Philadelphia.

One of the largest and most complete Galleries in the States, where the best Pictures, known to the Photographic art, are taken at prices no higher than are paid for miserable calicatures. The Proprietor, a practical Photographer, attends personally, every sitting—and allows no picture to leave the Gallery unless it gives perfect satisfaction.

Daguerreotypes and Ambrotypes, of absentar deceased friends, photographed to any required size, or taken on Canvass, life size, and painted in 501 by the best Artists. At this Gallery pictures can be taken in any weather—as perfect in cloudy days as when the sun shines.

Persons visiting the city are respectfully invited to examine our specimens, which for price and quality defy competition.

Supetition.

27 Instructions given in the art of Photography.

R. NEWELL,
GALLERY of Ant,
724 Arch Street, Philadelphia.

From Hon. Lewis D. Campbell, M. O., Ohio.

My family and friends all concur in the opinion that the (Newell) picture is more lifelike than any thing they ever saw. My likeness has been repeatedly taken by different-Artists in various ways, but I have never yet had one which piesents so true to nature, all the features and expressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy,

The exquisite finish, beauty and softness of your por-traits, conjoined with their durability of color and faith-fulness as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true art.

From Col. James Page.

Having occasion for a portrait, I produced one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by hum, and stake great pleasu o in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommends him to the patronage of those disposed to encourage the beautiful art.
