also an excellent Family Paper. A portion of the Sunday-School Times is occupied with Narratives and other matter particularly interesting to young percent. Teachers will find in it much that they will like to read to their classes—interesting matter pro-pared to their hands, and such as they cannot find elso-where. For the same reasons, members of Bithe-classes, and the older scholers generally, will be greatly benefit-ed by the perusal of this paper. The Sunday-School Times has every week a report of the choicest mutter, selected from the Noon Prayer Meet-ling, which are so interesting to all classes of Christians. Besides a large amount of general religious intelligence, the Sunday-School Times contains all the most recent Sun-dry-school news. It reports all the important Conven-tions of Sunday-School Times and perplex tanchers and pa-rents, respecting the various metheds of Religious Traiu-ing for the young, the means of gaining the attention and affections of children, and especially of securing inside Conversion and Uringing them to Christ. The subject of Mussion-School Stroet Lies, and of Sunday-school mission-ary work for the interior, is thoroughly canvassed.
