Senator Douglas on the War. Treason must be Crushed Speech to the Illinois Legislature

Senator Douglas was publicly received by the Illinois Legislature on the 25th ultimo, and made a patriotic speech, urging immediate action in support of the Government. He said: I am not insensible to the patriotic motives which prompted you to do me the honor to invite me to address you on this occasion, upon the momentous issues now presented of the condition of our country. With a heart filled with sadness and grief, I comply

with your request.

For the first time since the adoption planting a revolutionary flag upon its dome, seizing the national archives, taking captive the President elected Washington, May 8.—A regiment ists. A war of aggression and of ex-

institutions of the Southern States are constitution can give them, they must not safe under the Federal Government. What evidence has been presented that they are insecure? I appeal to every man within the sound of my voice to tell me at what period, from the time that Washington was inaugurated down to this hour, have the rights of the Southern States the lorn. It is a coing against the inalienable of an export duty, upon every busiles of the state of the southern States are constitution can give them, they must but there follows a tariff on imports, they must on the property of taxes upon every pound of tea, and coffee and sugary and every yard of cloth that we may interest to attempt to destroy the constitution can give them, they must but there follows a tariff on imports, they must on the property of the states upon every pound of tea, and coffee and sugary and every yard of cloth that we may interest to attempt to destroy the chose to send to the markets of the horn. It is a coing against the property of the sugary and every yard of cloth that we may import for our consumption; the levying of taxes upon every pound of tea, and coffee and sugary and every yard of cloth that we may interest the property of Government, have they stood on so States from the map of Christendom. for free trade, have among their first firm a basis? For the first time in Yet this attempt is now being made, acts established an export duty on the history of this republic there is no The Government of our fathers is to cotton for the first time in American

I had suppposed that it was a cardinal and a fundamental principle of our system of Government that the decision of the people at the ballot-box, without a fraud, according to the forms of the Constitution, was to command the explicit obedience of every good citizen. [Loud applause.] If their defeat at a Presidential election is to justify the minority, or any portion of

the defeated candidate has seized upon the level of forgetting his partisan prethe Presidential chair by the use of judices and sacrifice everything upon the bayonet, or he has turned out the the altar of his country; but allow me duly-elected candidate before his term to say to you whom I have opposed release her own people thereby from course from Ec. 8th ch., and a portion expired. Are we to inaugurate this and warred against with an energy any taxation whatsoever. Hence I Mexican system in the United States you will respect, allow me to say to of America? [No, never.] Suppose the true to your country if you over attempt to manufact the case to be reversed: Suppose the try if you over attempt to manufact give to this subject, after the most manufact the manufacture partisan capital out of the miseby any means—I care not what, if by ries of your country.
