pecial Despatch to the Chicago Tribune.] I am now able to give a complete and accurate narrative of the transfer of the twenty-one thousand stand of arms from St. Louis to Springfield. Capt. James H. Stokes, of Chicago, late of the Regular Army, volunteered to undertake the perilous mission; and Gov. Yates placed in his hands the requisition of the Secretary of War for ten thousand muskets. Capt. Stokes went to St. Louis and made his way as rapidly as possible to the Arsenal. He found it surrounded by an immense mob, and the postern gates all closed. and raised a perfect Bedlam over the capture. A large portion of the outside crowd left the Arsenal when this movement was executed; and Captain Lyon took the remainder who were lying around as spies, and locked them up in his guard house. About eleven o'clock, the steamer City of Alton came along side; planks were shoved out from the windows to the main deck, and the boxes slid down. When the ten thousand were safely on board, Capt. Stokes went to Capt. Lyon and Major Callender, and urged them, by the most pressing appeals, to let him empty the Arsenal. They told him to

go ahead and take what ever he wanted. Accordingly he took eleven thousand more muskets, five hundred rifle carbines, five hundred revolvers, one hundred and ten thousand musket cartridges, to say nothing of the can-non and a large quantity of miscellaneous accoutrements, leaving only seven thousand muskets in the Arsenal, and blessing the above-named articles

Hospital Conveniences.

The Providence Journal publishes the following directions which Major Anderson lately gave some ladies who consulted him respecting hospital con-

veniences:
The ladies had better not attempt to furnish articles of food for the sick and wounded. It would require thousands of dollars in the first place, besides the hospitals are all supplied with what is necessary. However, if the ladies would furnish the following articles they would add greatly to the comfort of the poor fellows who may be sick and suffering : A large supply of Canton flannel
