Thursday afternoon, August 15, 1861. The People's Party Convention.

This Convention met at the Court House on Tuesday afternoon last .-Several townships were not représented by regularly elected delegatesthe party in such townships declining to act as a party at the present time. The Convention however, was composed of good men of the party,-men who had determined to meet the Dem ocracy half way, and to move together, shoulder to shoulder, in one solid col umn in the support of our Government The Democracy cannot refuse to ac cent the offer of the People's party; indeed we do not believe there is feeling in the selection of competent men to fill all offices to be filled this

We have not room to-day to give the entire proceedings of the Convention, but shall do so in our next. The following is the resolution of the Convention proposing a union of parties:

Resolved: That as it is necessary

that officers should be chosen to carry on our local government, we, the representatives of the party hitherto dominant in this county, respectfully pro-pose, in the spirit of the preceding resolutions, to our Democratic brethren to unite in forming a Union Ticket for the county offices; and to this end that a committee be hereby appointed by this Convention.
