has learned the history of the Stars and Stripes [hear, hear,] valued the blessings and protection they insured, scheme of this incorrigible aristocracy, its chastisement and downfall, foresees cheering.] Be it with Irishmen, at all country is country for the season, the incentive, the animating conviction, the rallying but the cry in this tempestuous time. Every blow that, with the shout of Fag am bealach? In certain the assembled crowd, spoke as follows:

Fag am bealach? In country is now in gl clears the way for the Stars and string, calls to this English arist cracy a deals to this English arist cracy and the same of the whole field of controllers and the source of the series which the present of the stars and defeat. [Cheers.] This is especially, recommended the pulling of the series of the selection of the value of the series of the selection to the value of an and perils that the most influential and substitute of the selection of the value of the selection o persecution, the cryptotic decided from the leaf person and the pe should be fall neither his wife nor little ones will be forgotten. [Prolonged applause, during which Captain Meag-live particula?]

The true son of the Republic, like the true mother, turns away from the need to see the particular true mother, turns away from the need to see the second se

### The Union—not Party.

It is with profound gratification that we witness in many parts of this, and in other loyal States, among patriotic

their patriotism is not to be shaken by their patriotism is not to be shaken by the arts, falsehoods, and blandishments of demagogues and traitors. We are daily preparing material for the annals of our time; and when some fulture historian shall sit down calmly in his closet to compile them, it is for us to determine whether he shall record the trace of "Never." "Never." But how can do the trace of these threatening disasters, even this hour, we could have peace by laying down our necks, our country, and our flag, in the dust beneath the removement of them that the Government which they have established our flag, in the dust beneath the removement of them that the Government which they have established should not be forcibly overturned, and our flag, in the dust beneath the removement of them that the Government which they have established our flag, in the dust beneath the removement of them that the Government which they have established our flag, in the dust beneath the removed the peace. We could have peace by laying down our necks, our country, and our flag, in the dust beneath the removement of them that the Government which they have established our flag, in the dust beneath the removed the peace. We could have peace by laying the second our time; and when some full up before the nations of the world as a weak and powerless people, whom an opponent only half equal in numbers have of vital moment to them that the Government which they have established should not stalk defiantly our eyelids till all that men can do has foundations of political and social or determine whether he shall record our eyelids till all that men can do has foundations of political and social or determined the peace.

## Hon. Joseph Holt in Boston.

and who, in the frustration of the ded at the Tremont House, in Boston,

Fellow-citizens, it cannot be disguised that we stand at this moment confronted by great national dangers and great national calamities. Eleven members of our Union are in open, and thus far, successful revolt; and an army, it may be of a hundred and fifty thousand men, breathing vengeance men of all parties, a disposition to break asunder party ties and to put in lines and menacing the safety of Washnomination for the coming autumn ington. From this present peril no clections, those only who are known valiant resolves, no brilliant declamaclections, those only who are known to be in favor of a rigorous prosecution of the present war, until the end aimed at by the Government be fully and at by the Government be fully and sword, wielded by skillful and heroic try, when the Government of the United States is in such imminent danger ted States is in such imminent danger ted States is in such imminent danger to be in favor of a rigorous prosecution to be in favor of a rigorous prosecution to, no fervid prophecyings can possibly deliver us. Nothing but the try, when the Government of the United States is in such imminent danger ted States is in such imminent danger to the present war, until the end aimed at by the Government of the United States is in such imminent danger to the present war, until the end aimed at by the Government of the United States is in such imminent danger ted States is in such imminent danger to the present war, until the end aimed at by the Government of the United States is in such imminent danger to the present war, until the end aimed at by the Government of the United States is in such imminent danger to the present war, until the end aimed at by the Government of the United States is in such imminent danger to the present war, until the end aimed at by the Government of the United States is in such imminent danger to the present war, until the end aimed at by the Government of the United States is in such imminent danger to the Government of the United States is in such imminent danger to the Government of the United States is in the future, and for that the such as the control of the United States is in the future, and for that the such as the control of the United States is the control of the United States is the future,

that we suffered the most benign, the most paternal, and the most liberal government, that the morning star ever shone upon, since the first day of the success which will not and cannot be some upon, since the first day of the success of the peaceful our fathers are yet with us, and that government, that the morning star our fathers are yet with us, and that government, that the morning star our fathers are yet with us, and that graves of the success of this usurpation is to sicken the soul. Our rulers into contempt, and jeopardizing durishing United States, our free and all the vast interests of the peaceful our statement can do has joundations of pointeat and social or der, bringing the authority which the usurpation is to sicken the soul. Our rulers into contempt, and jeopardizing the success of this paternal, and the most liberal our fathers are yet with us, and that men can do has joundations of pointeat and social or der, bringing the authority which the usurpation is to sicken the soul. Our rulers into contempt, and jeopardizing the success of this paternal our fathers are yet with us, and that men can do has joundations of pointeat and social or der, bringing the authority which the usurpation is to sicken the soul.
