VIA READING, ALLENTOWN AND EASTON. S. SMITH, Dealer in Drugs, Medicines, Confectionences, Ac., Huntingdon, Pa. SPLENDID STOCK AS THEY APPEARED IN ANCIENT TIMES. The above work is commonded to the favorable notice of clergymen, and those flaving charge of Sunday-chools, Bible-classes, and public institutions.

It is about 9 feet long and 6 feet wide, colored and varnishad, and mounted on canvas with rollets.

It has been constructed from the most reliable and authorite sources, and will be found an invaluable aid to those engaged in lecturing on the flot) fand, or in imparting instruction to school classes on the subject to which it relets.

It aims to give an exact idea of the city as it appeared in ancient times. It is taken as a "bitd's eye" or "balloon" view, the beholder being, in imagination, placed at a considerable clevation, so as to take a comprehensive view of the city and the whole country for some distance around. July 18, 1800. Dealer in Dry Goods, Groceries, Har Ints and Caps, Boots and Shocs, &c. Now is the Time to buy Cheap Clothing! THE SUNDAY-SCHOOL TIMES ISHER & SON, Dealers in Dry Goods, This is a Weekly Religious Paper, published at the very low price of ONE DOLLAR A YEAR. It is de-signed for Parents, Teachers, and all who are engaged or interested in the religious training of the young. It is also an excellent Equility Paper. MANUAL GUTMAN, THE HORSE AND HIS DISEASES PHILADELPHIA AND READING WILL TELL YOU of the causes, symptoms, and Treatment of Worns, Bots, Choile, Strangulation, Stony Concretions, Ruptures, Palsy, Blarrinea, Jaundice, Repairrinea, Bloody Utine, Stones in the Kidneys and Bladder, Inflanation and other diseases of the Stomach, Bowels, Liver and Urihary Organs. TO OHRER'S PRACTICAL CALCUsigned for Parents, Tecchers, and all who are engaged or interested in the religious taining of the young. It is also an excellent Family Paper.

A portion of the Sanday-School Times is occupied with Nariatives and other matter particularly interesting to young persons. Teachers will find in it much that they will like to read to their classes—interesting matter prepared to their hands, and such as they cannot find elsewhere. For the same reasons, members of Bible-classes, and the older scholers generally, will be greatly benefited by the perastrof thus paper.

The Sanday-School Times has every week a report of the choicest matter, selected from the Noon Paper Meetings, which are so interesting to all classes of Christians. Besides a large amount of general religious intelligence, the Sanday-School Times contains all the most recent Sanday-School Times contains and protections of children and especiality of securing parents, respecting the free conversion and bringing them to Christ. The subject of Mission-Schools for cities, and of Sanday-School missionary work for the Interior, is thoroughly canvassed. Indeed, there is haddy a topic of practical importance to OHRER'S PRACTICAL CALCU.

1 Dook of Plain Rules and Calculations for Business Operations, by Martin M. Robrer, Practical Surveyor and Comegoners. New Edition, published by J. B. Lippintoll & Compouncer. New Edition, published by J. B. Lippintoll & Co., Philadelphia.

This work contains 204 pages, and upwards of 500 Rules and Examples, entirely and thoroughly practical, such as arise every day in the common pursuats of Business. It has already passed through a number of editions in raph succession, and is pronounced by all classes of business men to be the handlest book of reference, pertaining to calculations, that has ever been publical.

Every example in the book is worked out in full and stated in a plain manner, so that when a paradic case arises, those referring to the order will find no difficulty in solving it; in a word, the green al arangement of the CALCULATOR is simple, the any one who knows how to add, suthered, multiply and diride, can easily solve any ordinary example that mises in business, or arrive at the true result of any estimate quirted.

The chief aim of the author has been to eschew theory and philosophy in figures, adming only a facts and simplicity, believing that issues in business, or arrive at the resulting of the state of the submission of the philosophy of rules, or the science of figures, desing it in the first purposite to be able at a moment, ig it sufficient for their purposite to be able at a moment, ig it affects not in the respect from all other Arithmetics of the day of an kindred works in the hands of the teacher in the school toom: If facilitates time and insures correctness.
