## LOCAL & PERSONAL.

### TOWN MEETINGS.

HUNTINGDON, July 12, 1862.  
At a meeting held at the Court House for the purpose of encouraging the enlistment of volunteers in the defense of our country, David Starr, Esq., was called to the chair, and H. W. Miller and R. Turbit were elected Secretaries.

The meeting was addressed in a stirring manner by J. Scott, Esq., W. Benedict, Esq., D. Blair, Esq., and Saml. Brown, Esq.

On motion, A. W. Benedict, John Scott, D. Blair, W. Africa and J. C. Watson were appointed a committee to consult with the gentlemen who were seeking to raise volunteer companies.

A resolution was then offered to raise a thousand dollars by subscription to be given to the first hundred who would enlist in the borough of Huntingdon and vicinity. The chair appointed J. Mattern, D. Blair, W. B. Zeigler, A. Owen and Wm. Morris, jr., a committee to carry out said resolution.

When the meeting adjourned to meet on Monday evening, the 14th, at which time addresses were made by D. Blair, Esq., A. W. Benedict, Esq., S. T. Brown, Esq., J. Mattern, Esq., and J. Williamson, Esq.

HUNTINGDON, July 28, 1862.  
Agreeably to previous notice, a large number of the citizens of the borough of Huntingdon and vicinity, met in the Court House on Saturday evening last, for the purpose of devising means by which to secure the immediate enlistment of volunteers for the army under the late call of the President.

The meeting was organized by calling A. W. Benedict, Esq., to the chair, as President, and H. T. White, as Secretary. S. T. Brown, Esq., called for the report of a committee appointed at a previous meeting to secure subscriptions to be applied as bounties to volunteers. J. W. Mattern, Esq., Chairman of said Committee, reported that about \$800 had been subscribed by the citizens for that purpose.

A resolution was then offered by J. W. Mattern, Esq., that the County Commissioners be requested to make an appropriation for that purpose, as other counties in the State have done, and as it was agreed the County Commissioners have no legal authority for so doing, the citizens give them an indemnifying bond. The resolution was discussed by Messrs. J. G. Miles, Benedict, Brown, Williamson, Blair and others, and passed unanimously.

A bond was then presented and signed by a member present. The chair appointed Messrs. Saml. T. Brown, Thos. Fisher and Peter Swoope, as a committee, to secure additional names to the bond, and have the same presented to the board of Commissioners at their next meeting.

S. T. Brown, Esq., then offered the following resolution which passed:

Resolved, That the committee in charge of the subscription paper, be requested to call in twenty per cent on the same; for the purpose of promptly paying the bounties to such as enlist, and that the committee be authorized to apply part of said funds in their hands to paying the necessary expenses of recruiting, where in their opinion, it will serve the cause. The meeting adjourned to meet on Saturday evening, the 29th of August.

Attention! Attention!  
Notice is hereby given that in pursuance of a resolution adopted by a public meeting, held at the Court House on Saturday evening last, twenty per cent of the amount subscribed by the citizens of the borough of Huntingdon, is required to be paid for the purchase of paying bounties and expenses of those engaged in recruiting and enlisting men.

John W. Mattern, Chairman.  
N. B.—Payment as above required, will be immediately made to John W. Mattern, or George W. Garretson, Treasurer of Committee.

By order of Committee.  
July 28, 1862.

Read the advertisement of the "Williams & Orvis" Sewing Machine in our paper to-day. This machine is a popular favorite in Philadelphia and other cities, and its reputation is rapidly extending. It is said to be equal in every respect, to any \$50 Machine now in use.

ALBANY, N. Y.—We have received a letter from John Ware's farm on the Ridges, measuring four foot eight inches. This is what we would call living in "a tall clover."

P. S.—We have received from Mr. Henry Cornbroth, of Barre town, a stalk of clover which measures four feet nine inches. This is ahead of the Ridges.

Rev. Dr. McLean, formerly of this place, has been called to fill the pulpit of the Presbyterian church at Lewistown, for a stipulated period of three months, and has accepted the call.

## THE HARVEST.

The harvesting season has now about closed, and a good and abundant crop of grain has been stored away in the barns of our husbandmen. Our young and able-bodied men have, for some weeks past, been aiding the farmers in this useful and necessary work, and are now being discharged.

We now call upon these men, and all others, to reflect. Your country is in pressing need of more troops, and a proclamation has gone forth, entreating you as true and loyal citizens to arise and sustain your government.

You, harvestmen, have aided in storing away the productions of earth, which Providence has given us, and now, will you not as patriotic Union men, assist in putting down this wicked rebellion and avert the devastating hand of anarchy. Enlist, and preserve the honor of Pennsylvania.

On motion, A. W. Benedict, John Scott, D. Blair, W. Africa and J. C. Watson were appointed a committee to consult with the gentlemen who were seeking to raise volunteer companies.

A resolution was then offered to raise a thousand dollars by subscription to be given to the first hundred who would enlist in the borough of Huntingdon and vicinity. The chair appointed J. Mattern, D. Blair, W. B. Zeigler, A. Owen and Wm. Morris, jr., a committee to carry out said resolution.
