The lardy and patriotic sons of Ponnsylvania have been secreted for this important and responsible duty. Will they not be equal to the confidence reposed in them by our Government and Covernor? It is a permanent post, has confortable quarters, is in a healthy locality, thus avoiding all the exposures and hardalips of field service. The men are commanded by officers of experience and ability, and being well instructed in all the duties of ludarty and artillery soldiers, will be fitted to service and artillery soldiers, will be fitted to serve as officers in any arm of the service.
