CAIRO, Jan. 17 .- The steamer Rain Storm, which left Arkansas Post on Monday, arrived here to-day, and confirms the capture of that post. The attack was made on Friday evening by the gunboats, the land force debarking two miles below, and march-barking two miles below. ing to the rear of the fortifications .-The rebels had erected earthworks over an extent of two miles below the main fort, from which they were shelled; not, however, before they had done some damage to the gunboats .--Three balls entered the port hole of the Lexington, killing four men.

The main post, which is represented as being very strong, surrendered on Sunday. The officers of the Storm say that six regiments were captured in the works, and that at daylight on Monday, two Texan regiments, not knowing the place had surrendered, came in to reinforce the garrison and were also captured. Nearly all the ammunition taken by the rebels from the steamer Blue Wing, some days since, was re-captured. A reconnois sance sent up the river, had not returned at the time the Storm left .- | Henry.
