Boston, Mass., Feb. 19.—The offi-

NO. 39. The Voice of Patriotism,---General John HEADQUARTERS THIRD DIVISION, 7TH ARMY Corps, Memphis, Tenn., February 12, 1863.

My Fellow Soldiers:—Debility from recent illness has prevented and still

sylvania soldiers, for the profound interest which he has manifested in their prevents me from appearing among welfare generally since they have been brought into the field, and particular by in his efforts to have the sick and ly in his efforts to hav

mined to drive our people on to anar- of Wendell Phillips is at once full of chy and destruction. They have hoped, by magnifying the reverses of our arms, basely misrepresenting the conduct and slandering the character of our soldiers in the field, and boldly talabstinence from intoxicating liquors:

home buttelers and killed in July price of beef about \$5 per hundred.
One half-blooded hoifer two years old, killed at home, September, 1861, weighed \$45 pounds on grass feed.
I have milked 12 cows for the last three years—ages from three years to eight. I find my account of butter and cheese made, the produce amounts per cow, exclusive of milk for raising most of the calves and the slop for the logs, to \$42 per cow per year.

I home buttelers and killed in July price of beef about \$5 per hundred.—
In one common ruia, the horrors of which no pen can portray. We have solemnly sworn to bear true faith to this Government, preserve its Constitution, and defend its glorious flag against all its enemies and oppressors. To our hands has been committed the liberties, the prosperity and happiness of future generations. Shall we betray such a trust? Shall the brilliance of our past achievements be dimmed and proceed the process of the calves and the slop for the logs, to \$42 per cow per year.

ers of native cattle to come up to the mark, and show their record for workit compares, and if the profits come while a fearful wail of anguish, wrung ing found impossible, they went again about up, we will say nothing about from the heart of a distracted people, to the cobbler, who had raised his price which looks the best on one's premisis borne upon every breeze, and wid-
