

For the reasons, which I have attempted to set forth, I cannot clearly to the conclusion, that I cannot judicially pronounce, the order of General Burnside for the arrest of Mr. Vallandigham as a military act, and must therefore hold that no sufficient ground has been exhibited for granting the writ applied for. And my property hereafter I am free in my conclusion by the fact just brought to my notice, that the Legislature of Ohio, at its late session, has passed two statutes, in which the legality and validity of arrests in the State, under military authority, are distinctly sanctioned. This is a clear indication of the opinion of that body, that the rights and liberties of the people are not to be jeoparded by the exercise of the power in question; and is, moreover, a concession that the present State of the country, requires and justifies its exercise. It is a clear intimation that the people of our patriotic State will sanction such a constitution of the Constitution as, without a clear violation of the letter, will adapt it to the existing emergency.

kept during the continuance of the war. The preceding finding and sentence in the foregoing case are approved and confirmed, and it is directed that the plea of confinement of the prisoner, Clement L. Vallandigham, in accordance with the said sentence, be forthwith rescinded, and the prisoner be removed to the military prison, Fort Warren, Boston harbor. By command of the President, MAJ. GEN. A. E. BURNSIDE, LAWIA RICHMOND, Ass't. Adjt. Gen. CINCINNATI, May 20.

### HUNTINGDON, PA.

Wednesday morning, May 27, 1863. LOCAL & PERSONAL. THE RETURN OF THE 125TH. The 125th were paid off and mustered out of service at Harrisburg on Tuesday last week. A number of our brave "boys" arrived here on Tuesday evening, and the balance arrived with the regiment early on Wednesday morning. Of course the "boys" were glad to get home, and their friends were ready to receive them with open arms. A programme had been arranged to give the "boys" a handsome public reception, but the time of their arrival being uncertain, and the companies coming home in squads at different times, made it impossible to carry out the programme. But the ladies, God bless them, stepped forward, and in less than no time, had a fine dinner prepared in front of the Court House for the "boys" remaining in town. It takes the Huntingdon ladies to feed the soldiers, and the soldiers know it. A large number of the friends of the "boys" were in from the country, and we witnessed many happy meetings of the young folks. The general appearance of the "boys" astonished everybody—they all, with but very few exceptions, enjoyed better health, and looked more like men, than when they left their homes and friends to fight the accursed rebels. The "boys" are welcomed home by all good citizens, with open arms and open hearts. They are our brothers—the brothers of every loyal citizen. We are proud of them—they are an honor to our county.

### Local Items.

—Fire on the Mountains.—A large fire raged several days last week on Tussey's mountain near Stonerstown, also one about a mile south of Springkum on the switchbacks. A large amount of worked lumber was consumed, and the leaves being so very dry, it was an exceedingly difficult task to arrest its progress. —New Station House.—The Broad Top Co. are about commencing the erection of a new station house at Dudley. We cannot but remark here that the one now in use for that purpose is as hard a looking place as a man ever stepped into. —Wm. March & Bro., at Marketburg, has just received a splendid and extensive assortment of new goods which he will be pleased to have examined by his many customers. He also wishes to return thanks for the liberal patronage he has received. —Lieut. Benton Reed is in town on a short visit—he looks better, and enjoys better health than he has for years. The Lieutenant is every inch a soldier. —We learn that Provost Marshal Campbell has been directed to open his office at this place and make Huntingdon his headquarters. His office will likely be in the grand jury room in the Court House. —We neglected last week to return thanks for the handsome serenade given us by the String Band. Now that the serenaders are home, again we hope the full band will let us hear from them often. —New Hall.—The Odd Fellows are to commence the erection of a hall at Conant next month. They certainly have our best wishes. —Two fights occurred at Dudley Friday evening; result—black eyes and bloody noses; cause—whisky. —We learn that three or four "charges" were made at Mapleton on Saturday evening, and that the Union flag came off victorious. —A SWEET BOUQUET.—We had the pleasure last week of receiving from Miss Nannie P. Thompson, of Henderson township, a beautiful bouquet of sweet flowers. She has our thanks.

Commenced on Thursday, the 4th of June, Gardner & Hemming's Grand American Circus will make their grand entry into our town. This Establishment is one of real merit, and combines elegant horsemanship with startling gymnastic exploits, employing a full force of talented artists with a great collection of beautiful and highly trained horses and ponies. Dan Gardner is the main spring of the establishment, and will appear at each exhibition in his various, comicalities. We expect that the day in question will be a grand gala one in town, for a circus is always popular in Huntingdon. The fronts is said to be beautiful in the extreme, and we are promised a model entertainment.

Notice.—On Tuesday next, June 24, the Sabbath School Convention for Juniata District East Baltimore Conference, will commence its Annual Session in this place, in the M. E. Church. Rev. Wm. R. Mills, of Altoona, is expected to conduct the opening services by an appropriate sermon, commencing at 7 o'clock, P. M. A large attendance of ministers and delegates is expected.

In Huntingdon, May 19th, by Rev. James Brads, Mr. HENRY J. WAGONER, of Chartiers, to Miss ANNE C. SAXTON, of Huntingdon. The happy couple did not forget the printer. We received a very liberal share of the good things provided for the occasion, for which, and for their kind remembrance of us, they have our thanks, and our earnest prayers for a long life of health, prosperity and general usefulness.
