LEWIS' BOOK STORE. PENS!!

THE BEST IS THE CHEAPEST! Celebrated "Corrugated Metal" Pens

AT LEWIS BOOK STORE,

PERS, made by C. BARNARD, are the best Commercial and School Pens, without exception to any.—They are used by all the principal Banks and Government Departments, Public and Private Schools; also, by the most prominent Commercial Houses throughout the United States and Canada.

But a short time has clapsed since

C. Barnard's Pons have been tried, and are highly ap-coved in this office. S. G. Oddben, Auditor U. S. Custom House, New York. Having tried the corrugated Pens made by Mr. Barnard, can recommend them as excellent.

SAMUEL L. BREESE,

Commandani Navy Yard, Brooklyn. We add ours to above recommendations.
H. B. CROMWELL & CO., New York. I have no hesitation in saying Barnard's Pens are de-idealy the bost I have ever used. S. C. HAY, Agent United States Express Co., New York. We can confidently recommend Mr. C. Barnard's Anti-Jorosive Pens as the best ever brought under our notice,

We have been using the Pens of Mr. C. Barnard, and take great pleasure in recommending them to the public, as they are an excellent article, and all he represents them to be.

Secretary Engle Insurance Co., New York. Upon trial we have found Mr. Barnard's Pens to be ex-ellent. FRED, PRODST & CO., New York. I would recommend Mr. Barnard's Pons as a superior rticle to any I have used. GOUVR. KEMBLE, New York. Of all Pens I have over used, Mr. Barnard's have given me more satisfaction, and I can recommend them to the public as being entirely anti-corresive. E. POIRER, New York. After six months' constant use of O. Barnard's Anti-forrosive Pen, we can confidently recommend it as the sest metallic pen we have ever used, finding from the above experience that it does not actually correct S. McLEAN & CO, New York.
