Only those faithful soldiers who from wounds or other causes are unable to perform military duty...

HUNTINGDON, PA. W. Lewis, Editor and Proprietor.

Friday morning, September 25, 1863

Mr. Editor.—As a plea for negro slavery it is not only alleged in the language of the Hon. Judge Woodward...

But, for a further refutation of this slander of the author of the negro's being uneducated, we need only turn our attention to the rising Republic of Liberia...

In a former communication, I gave you the expressed sentiments of Gen. Washington, Patrick Henry, Thomas Jefferson, Chief Justice Marshall, John Randolph, and Henry Clay...

I have just read an extract from a speech delivered by the Hon. Judge Woodward at the annual meeting of the General Assembly of this State...

Mr. Editor: It is not my intention to play the alarmist, nor can I say, with any degree of certainty that there is any unusual excitement in this country...

What Woodward and Vallandigham Will Do. "If Woodward and Vallandigham were elected, by Seymour and Parker, they would unite in calling for the army...

There is no dispute about all this. Taken in conjunction with the confessions of the Harrisburg Patriot & Union, a tory sheet, the declarations of Clymer may be regarded as the fixed policy of the copperheads...
