HUNTINGDON, PA.

Friday morning, October 2, 1863.

Loval Democrats of the County,

You who still cling to the rotten,

treasonable, bogus Democratic organization-you who still follow in the footsteps of Dirty Caldwell, Rotten Bruce Petrikin, "Spotted Nigger" Speer, Camp Crosman Colon, Granney Wilson, and other tools of Jeff. Davis -ask yourselves whether it is possible for such Democrats as General Butler, Andy Johnson, Lewis Cass, Gen. Roscerans, Holt, Dickinson, and hundreds of other prominent Democrats, to be wrong; and Caldwell, Speer, Petrikin, Colon, Wilson & Co., to be right. Who that know the corrupt, unprincipled men that are now at the head of the bogus Democratic organization of the county, can for a moment be deceived by their treason, when the loyal men, the loval Democrats of the whole Uni on, are rallying to the support of the Government by advocating the election of loyal men, men pledged unconditionally to stand by the President in his efforts to conquer the rebellion .-Democrats, if you will vote for Woodward, the candidate of the traitor leaders, be prepared to take the responsibility. It will not be an idle vote-it will be a vote you and your children will have to answer for. Your party organization will not save you from the they are denied your support. If you are determined to follow such traitor logges Demogracy leaders as Speer, Caldwell & Co., remember your votes will be counted i favor of the rebellion, and against the success of our army. REMEMBER, that the issue now before the people, is, shall our Government be sustained, or

[From the Richmond Enquirer, Sep. 7.] The approaching session of the United States Congress will be one of no ordinary interest. Political parties will, in the next session of Congress, arrange the platform of principles that each will advocate be-Congress, arrange the platform of principles that each will advocate before the people, as well as unmask the gross corruptions that war has produced. The contest for the speakership of the House of Representatives will be one of great excitement; if the Democrats are successful, their speaker will have the arrangement and appointment of the various committees

which prepare business for the House, as well as all those investigating com-mittees on the conduct of the war, the committee on contracts, the suppression of newspapers, and the arrest and imprisonment of individuals. The reports of these committees will form the groundwork of the next Presidential campaign. Should Meade be driven into Washington, and the
