MILITARY BOOKS.

REVISED ARMY REGULATIONS. BY AUTHORITY OF THE WAR DEPARTMENT. BY AUTHORITY OF THE WAR DEFARTHENT:

The book is an octave of 560 pages, is elegantly printed on fine paper, with now bold type, and has an admirable exhaustive index, for which every officer will be grateful, the moment his eye rests upon it, as no former edition has ever had an index, and the want of one has been long felt in the Army.

The Appendix embraces the Articles of War, containing many important corrections; also, selections from the Milliary Acts of Congress, including these passed at the last session.
