

Wednesday morning, May 4th, 1864. LOCAL & PERSONAL.

Col. John A. Doyle. We are pleased to hear of the handsome promotion of our friend J. A. Doyle. He has been in prominent positions with the army for two years past, and now we hear that he has been ordered to assume the control of the Depot of Commissary of Subsistence at Annapolis, Md. We find the following item in the Baltimore American of the 24th April:

The large number of men that have been located in this neighborhood (Annapolis, Md.) necessarily give an immense increase of labor to the Quartermaster's and Commissary's Departments; but under the management of their efficient and obliging heads, Captains Blodgett and Doyle, and their competent corps of clerks and assistants, they have so well fulfilled their duties as to elicit the admiration and thanks of the different Divisions of Commanders and their General in Chief.

Another Brave Soldier Gone. Wm. H. Long, son of Mr. Isaac Long, of Juniata township, died at the Brigade Hospital, Bridgeport, Ala. on the 19th of April, of pneumonia. He had been taken with the measles about two weeks before his death, and was taken to the hospital for attendance. The disease settled on his lungs and he sank rapidly. He was buried on the 20th in the field hospital burying ground with due military honors. He was a good soldier, 24 years, 8 months and 19 days old, and was a member of Co. B. Capt. J. A. Moore's 147th Regiment.

One Shad \$1.25. Reader, you may be astonished to learn that we had upon our table on Friday last, a shad that cost \$1.25. Well, we had, but it didn't cost us anything—it was a present from our good and liberal friend H. Roman, who has just returned from the city with a splendid stock of new Ready-made Clothing for men and boys. He has our thanks for the handsome present.

Coming to Town. Brien's Great Show and Tom King's Excelsior Circus will exhibit at this place on Wednesday, May 11. From the different recommendations we have read from the exchanges published in the towns at which this show and circus has exhibited, we do not fear to say that those of our citizens and the community at large who are lovers of fun, sport, and the other peculiarities of a Circus, will be highly entertained and amused by witnessing Brien's Great Show and King's Excelsior Circus. Do not fail to see the splendor of the procession at 10 o'clock, A. M. Read advertisement in another column.

Local Galaxy. Last week, Boreas, who had forgotten to pay his annual visit in March came with fury over the hills, but, fortunately, no serious damage was perpetrated by this blowy monster. The farmers in this vicinity were busily employed in plowing and sowing; the frequent and abundant falls of rain having prevented them from commencing earlier. As is usually the case, after much rain, the country roads are in a bad condition from the ruts caused by wheels in muddy weather. These should be repaired as soon as possible by the Road Supervisors. The steam saw mill, owned by Messrs. Wharton & Heffright, situated about a mile and a half from town, is being rapidly built by the men employed. The site selected is a convenient one, though the roads leading therefrom need great repair, and we expect the gentlemen proprietors to do a heavy and paying business. Maying season was duly inaugurated by the little folks and some of the larger, in gathering the first flowers of Spring from the hill side, and from the brooklet's banks, in order that they may not "waste their fragrance on the desert air," but to be more savingly employed in perfuming the halls and rooms of ill-ventilated houses. "We hope this nursery adage 'April showers bring May flowers,'" will hold good, for we would like nothing better than to see May flowers springing up in the place of April mud holes, pools and swamps. On Friday last a joend individual, in dusty uniform, somewhat akin to a Rebel's, and who acted in a manner peculiar to the inebriate, was arrested in this place and lodged in jail. This is the fourth rebel that has been arrested in this place in two weeks, and we would advise any more that may be lurking through the country, who wish to make themselves popular, to drop in town, identify themselves as runaway rebels, and then, like all their fellow chivalry in the South, be taken prisoner, to receive the protection and hospitality that the well known mansion of Sheriff Johnston affords, or else be carried for their health, into the presence of the proper authorities at Harrisburg. There is never any compulsory measure adopted when the runaway willingly yields himself up and agrees patiently to undergo the course of law. The different vendors of ice cream are already introducing this luxury for the season.

How we printers lie, as our devils said when he got up too late for breakfast.

On the Road. Gardner Hemming's & Co's, Great American Circus, will exhibit in our Town on Thursday the 12th day of May. This Model Equestrian Troupe is under the immediate direction of the People's Favorite Clown Dan Gardner. Dan has been among us so often that his name has become as familiar as a Household word. He has provided a strong array of attraction for this campaign; for in addition to his fine troupe of Equestrians and Acrobats he will introduce a troupe of real Arabs, five in number consisting of male and female artists, who will appear in a performance entirely novel and original—the same as those wonderful people practice on the great desert. The grand procession is one that combines magnificence with novelty will enter town about 10 o'clock on the day of exhibition. We predict an immense audience both at noon and night.

Wm. March & Son. Have received their new and varied stock of Spring and Summer goods. They are therefore still prepared to receive their old and new customers, and ready to meet the largest purchases, with small profits. They thank their customers for the liberal patronage they have heretofore given them.

The Expiration of Term of Service of the Penna. Reserve Corps. We have lately received letters from the Reserve Corps, in which it is apparent that the men have a wrong impression in regard to the expiration of their term of service. In order to correct such misapprehensions, we have been furnished with the following dates of expiration of service by the Adjutant General:

Table with 2 columns: Regt. No. and Date. 1st Regt. Aug. 1, 1864. 2nd " Aug. 1, " 3rd " July 28, " 4th " " 17, " 5th " June 21, " 6th " July 27, " 7th " " 27, " 8th " " 29, " 9th " " 27, " 10th Reg. " 21, " 11th " " 29, " 12th " Aug. 10, " 13th " June 11, "

In regard to another inquiry. We are authorized to state that there is no muster in for an unexpired term. Recruits for three years regiments, after such organizations have been in service, are all mustered for three years, so that at the expiration of the regiment, such recruits will be held for three years, and detailed for service in other organizations. It is well that the volunteer should understand these facts, as they are important. Harrisburg Telegraph, April 25.

Mysterious Disappearance. The town of Bedford, Pa., has been in a state of great excitement in consequence of the mysterious disappearance of CHARLES PENNSY, of Charlesville, Colerain township, Bedford county. It appears that on the 29th ult. Mr. P. heard that his son (who was in the army) was lying ill at Baltimore. He came to Bedford to telegraph to Baltimore if such was the fact, and not receiving any answer, started on a snowy night to return home, since which time he has not been seen. It is feared that he was murdered, as the clothing of a man, clothed with blood, has been found on the mountain over which it is known he started to pass.

Important Discovery. Arson in the Poor House.—Our readers will remember that on the first of this month a woman was burned to death in the Poor House of this place. Since that time several fires have occurred in various rooms of the House, destroying several beds, &c. At length, Major Tate began to suspect that it was the work of an incendiary, and early last week he took measure to detect the culprit. Suspicion finally settled on a woman named Margaret Mathews and her daughter, and on Thursday the former was sent to jail and the latter looked up in the madhouse. The daughter has since made a confession, admitting that she and her mother started all the fires except the one which burned Mrs. Quarry. It is believed, however, that they originated that one too, as a strong intimacy existed between Quarry and Mrs. Mathews, and the former had been compelled to leave the House, for that reason, only a few days before his wife's death. Mrs. Mathews has been in the House ever since its construction—some ten or twelve years.—Shirleysburg Herald, April 28.

MARRIED. By Rev. G. W. Zahnizer at the house of the bride's father on Tuesday evening, 29th ultimo, B. MILTON SPEER Esq. to Miss MARIAN E. eldest daughter of Wm. E. McMurtrie, Esq., of this place.

With the above notice we received a one dollar greenback, pretty strong evidence that the happy couple have faith in the strength of the Government under which they have volunteered in the Union army to serve for life. We hope they may enjoy a long and prosperous (except in the political notions of the lucky attorney) and happy life.

On the 25th of April in Alexandria, by Rev. A. W. Gibson, Jacob Young, of Belleville, Mifflin co., and Miss MARY W. WALLS of Alexandria, Huntingdon co. PA.

On Sunday evening, the 24th ult., at the residence of the bride's father, near Mill Creek, by Rev. J. Gues, Mr. THOMAS M. WIMER of Penna., R. I., to Miss SARAH M. WILSON.

New Store at Marklesburg. We call attention to advertisement of Boyer and Cantner. They have a fine assortment of new goods on hand which they will sell at reasonable prices.

Stamp Duties. As the validity of many instruments of writing depends upon the use of the proper Stamps, we call the attention of our readers to the law with regard to a few of them.

Promissory Notes. A renewal requires the same stamp as the original. Notes payable in merchandise must be stamped. The parties must estimate the value at the time the note is given. Promissory notes given for sums less than twenty dollars must be stamped. The twenty dollar exemption applies only to Inland Bills of Exchange, Drafts, and Orders for the payment of money.

Promissory Notes, by the act of March 2d, 1863, are defined to be, "Any memorandum, check, receipt, or written or printed evidence of an amount of money to be paid on demand, or at a time designated. Promissory Notes made payable on demand, or a few days after date, but given and received with an understanding between the parties that payment will not be required within the time specified, will be invalid and of no effect, unless stamped at the rate of 10 cents for every \$200, or fractional part thereof.

Articles of Agreement. For renting houses or lands must be stamped as leases. If for a shorter term than three years, a 60 cent stamp is sufficient. If for a longer term one dollar will be required. If a copy is sold by each party, both copies must be stamped. Clause of guarantee of payment of rent, incorporated or indorsed, 5 cents additional.

Deeds. The Stamp Tax is regulated by the actual value of the land conveyed. If less than \$100 a 5 cent stamp. If over \$500, and not over \$1,000, a \$1.00 stamp. If over \$1,000, and not over \$2,500, a \$2.00 stamp. If over \$2,500, and not over \$5,000, a \$5.00 stamp.

Mortgages. Requires a 10 cent stamp for every \$200, or fractional part thereof. Notes or Bonds, secured by mortgage, if stamped at the rate of 10 cents for every \$200, or fractional part thereof, exempt from the mortgage stamp duty. If the mortgage is stamped at the rate of 10 cents for every \$200, or fractional part thereof, exempt from the mortgage stamp duty.

Bonds. Official Bonds require a 50 cent stamp.—Borough and Township Bonds a 10 cent stamp for every \$200, or fractional part thereof.

GREAT CENTRAL FAIR! For the Sanitary Commission, to be held in Philadelphia, in the first week of June next.

Restaurant Department. The cooperation of benevolent and patriotic citizens of Pennsylvania, New Jersey and Delaware, is invited, in our efforts to make this more remunerative than any fair that has preceded it. These Fair is to be a great and humane work. Let no one, therefore, allow this opportunity to pass. Contributing something for the benefit of the wounded soldier in the field, and though the gift may seem small when alone it soon becomes efficient when combined with numbers. We ask for donations of any and every article, the produce of the Farm, Lake, River and forest, of foreign importation, of Fruits, fresh, dried, and preserved; of Vegetables, Canned, Butter, Eggs, Dried, fresh and smoked, Tongues, Hams and Pork, Lobsters, Crabs, Oysters, Caviar, Fish, Beef and mutton. In truth, there is nothing which may contribute to the well being of our appetites, which may not be entrusted to our care.

The Soldiers Aid Society of this place, having accepted the Agency in Huntingdon and neighborhood for the 'Restaurant Department' of the Central Fair, Philad.—solicits donations of provisions of all kinds from the citizens of our town and country.

Let all aid in this great and good work—send a contribution however small—having the donor's name attached. If left with Mrs. Wm. McMurtrie or Mrs. E. Orblison, will be forwarded by the Society. If any prefer forwarding their own contributions—send by railroad or express—freight will be paid in Philad.

Please direct all donations thus: For GEORGE T. LEWIS, Restaurant Department, Care of A. R. McHENRY, Reception Committee of the Great Central Fair, PHILADELPHIA, PA. Mch 25 1864.
