The Exhibition at Mooresville. DEAR GLOBE:-I have just read in the Monitor a fractice of the exhibition at the Mooresville high school, on the evening of the 11th inst., in which the writer says the Democratic party and patrons of the school were abused and insulted by one of the stu-dents in a paper read by him.

Since the Copperhends have seen fit to "rush into print" concerning this affair, I will give you a few facts in relation to the

As has been customary at this school ever As has been customary at this school ever since it was first organized, the students were allowed to get up and read a paper at the exhibition, in which they "touched up" almost every body in the neighborhood, of course in a playful way, not intending to insult any one. The Democratic meeting at Manor Hill came in for a share. It is a positive falsehood that any personal insult was offered as stated in the Monitor.

A more disgraceful and rowdy proceeding was never witnessed in this neighborhood than was got up by the copperheads. Although the paper was read by a young stu-

though the paper was read by a young stu-dent who had an arm shot off by the copper-heads' friends in the South, and who publicly told the audience he alone was responsible for its contents, the vilest abuse was heaped upon all the Union men and women in the house. They did their utmost to break up the meeting in a row, but failed. They called us "niggers." black abolitionists, and wooly heads. Two ministers of the gospel were present who were publicly and outrageously insulted.

ough the returned wounded soldier told the copperbottoms he was ready to meet any one who felt insulted, he was not called upon. They no doubt felt it safer to fall

gone opposition, after all, on the home vote, but I told my friends here to wait till we would hear from the army. We have just received a dispatch an-Sheridan's last victory.-Bless the soldiers, they will make it all right both on the field and at the Yours truly, SAMUEL T. BROWN.

That Iron well galvanized will not rust;
That a simple machine is better than a complicated one
That a wringer should be self-adjusting, durable, and
Michat; efficient;
That Thumb-Screws and Fastonings cause delay and trouble to regulate and keep in order;
That wood souked in hot water will swell, shrink and split;
That wood bearings for the shaft to run in will wear out. ut;
That the Putnam Wringer, with or without cog wheels
rill not tear the clothes;
That tog-wheel regulators are not essential;
That the Putnam Wringer has all the advantages, and
ot one of the disadvantages above named;
That all who have tested it, pronounce it the best
Yringer ever made;
That it will wring a Thread or a Bed Qulit without aloration.

That I will wring a Thread or a Bod Quilt without alteration.
We might fill the paper with testimonials, but insert only a few to convince the skeptical, if such there be; and we say to all, test Putnam's Wringer. Test it thoroughly with any and all others, and if not entirely satisfactory, return it.

ORANGE JUDD, of the "American Agriculturist," says of the UNIVERSAL CLOTHES WRINGER. "A child can rendily wring out a tubfull of clothes in a few minutes. It is in reality a CLOTHES SAVEDI - A TIME SAVEDI and a SEX-SOUTH SAVEDI 'The saving of garments will alone pay a large per centage on its cost. We think the machino nuch more than 'mays for itself every year" in the saving of garments! There are several kinda, nearly alike in general construction, but we consider it important that the Wringer be fitted with Cogarotherwise a mass of garments may clog the rollers, and the rollers upon the cranke-shaft slip and tear the clothes, or the rubber break losse from the shaft. Our own is one of the first make, and it is as 6000 AS NEW after mearly four years' constant use.
