Again the blessings of health and abundant harvests claim our profoundest gratitude to Almighty God. The

condition of our foreign affairs is reasonably satisfactory. Moxico continues to be the theatre of civil war.— While our political relations with that country have undergone no change, we have at the same time strictly maintained neutrality between the belligerents. At the request of the States of Costa Rica and Nicaragua a compotent engineer has been authorized to make a survey of the river San Juan and the port of San Juan.
