The property this Powder possesses in increasing the quantity of Milk in Cows, gives it an importance and value which should place it in the hands of every person keeping at Cow. By actual experiment it has proven that it will increase the quantity of Milk and Cream twenty per cent., and make the Butter firm and sweet. In fattening Cattle, it gives them an appetite, loosens their hide and makes them there much fister.

She tried everything that we heard of that was recommended for that disease but she got no relief; then we tried medical advice but if doen no good. At last I thought she must die, as I thought there was no cure. But in the spring of 1853; I believe in March, a daughter of Mr. Bickey's, who lives in the court with me, said, "Why don't you get Johnson's Rheumatic Compound and Blood Purifier. It cured my father of the Rheumatism when he was a cripple and the deter could do nothing for him." So I got a bottle of your medicine and before my wife had the half of it used she was cured. MR. A. JOHNSON:—Dear Sir: I
wish to say a word or two in favor of your Rhoumatic
Compound and Blood Purifier. I have I can afflicted with
ricumatism, more or less, for over twenty years. A great
part of that time I was very bad. I tried a great many
rheumatic medicines but received very little benefit fron
them. On the first of last January I was so bad that I
was entirely helpless. I could not write my own name,
and I could only lie on one side. While reading in the
United Preshyterian paper I saw a notice of your Rhoumatic Compound and Blood Purifier. I was afreid at first
that it might be like other remedies that I have tried,
but so it was in a religious paper I concluded to give it a
trial. So I got a bottle, used it, and found mysoif a little
better. I used three bottles more, and I am ishy-eight years
of age, I can life on either side, travel for a half day at a
time and not be fatigued. I believe, your Rheumatic
Cempound and Blood Purifier to be the best medicine ever
offered to the public for the cure of Rheumatism. If
you think this nove, with my name to it, will be of any
use to you or a suffering public; you are at liberty to
use them. Yours with respect.
