

# The Globe.

HUNTINGDON, PA.

Wednesday morning, June 28, 1865.

## LOCAL & PERSONAL.

### Subscribers.

Those subscribers receiving a paper marked with a † before the name will understand that the time for which they subscribed is up. If they wish the paper continued they will renew their subscription through the mail or otherwise.

### County Committee Meeting.

A meeting of the County Committee of the Union Party of Huntingdon county, will be held in the borough of Huntingdon,

On Saturday, the 1st of July, 1865, for the purpose of appointing Delegates to the State Convention, and transacting other business. A full attendance is requested.

### COMMITTEE.

Alexander—J. H. Kennedy, Chairman.  
Barnes—Dr. Fry Wilson.  
Bridges—Abner Stewart.  
Birmingham—Thomas E. Orison.  
Cannon—John G. Gentry.  
Cannon—J. F. Hamer.  
Cannon—Richard Adams.  
Cannon—James Harper.  
Cannon—High Crisley.  
Cannon—A. W. Evans.  
Cannon—Dr. J. A. Stano.  
Cannon—Samuel T. H. H. H.  
Cannon—James Hamilton.  
Cannon—James H. H. H.  
Cannon—John A. Noah.  
Cannon—G. W. Johnston.  
Cannon—Abner Oak.  
Cannon—Henry A. Mark.  
Cannon—Wm. H. H. H.

June 21, 1865. HENRY GRAFFUS, Chairman.

We suggest Huntingdon as the place, and July the 5th as the time for the meeting of the Conference.

### No Paper Next Week.

As it always the case among printers, there will be no papers issued on the Fourth. We have concluded not to issue a paper next week for this reason, and because the *Globe* fraternity need some recreation and enjoyment. Besides our new office is ready for occupation, and part of the week will necessarily be employed in moving the "fixtures," which are numerous.

### Scratchings.

The coal trade was partially resumed the first part of last week. The cost of freight has been reduced, also the wages of the miners.

There will be an adjourned meeting to make preparations for celebrating the Fourth, held in the Court House Hall on Friday evening next.

The bill opposite the coal wharf in new town is being dug away, preparatory, we learn, to building a Pennsylvania car repair shop on the site. West Huntingdon will be built up yet.

The old banking house room in this place is being fitted up for the use of the Ohio Oil Basin Company, Jas. Maguire, President, John Scott, Treasurer, and J. R. Simpson, Secretary.

We learn that the Taylor Guards, Captain Johnson's company, from this place, is stationed at Staunton, Va., and is doing Provost duty. Captain Johnson is Provost Marshal.

The Harrisburg *Telegraph* mentions the arrival in that city of three companies of the 195th Regiment to be mustered out. The remainder of the regiment is still stationed at Kearneysville, Va.

Rev. Job A. Price will deliver a Temperance sermon on Sabbath evening next in the Methodist church. Let the friends of the Temperance cause, and those opposed, attend and hear some remarks for their benefit.

We understand that twenty-five additional lots in West Huntingdon were purchased last week, making fifty in all. There are still more to be sold, and we suppose they will be purchased just as readily. Now, for the buildings.

The funeral of Mr. Wm. Barriek, of Co. B, 192d Regt., P. V., formerly of Walker township, who died in the hospital at Harper's Ferry on the 15th inst., took place on Wednesday morning last, with military honors.

The Masonic picnic at Barree Forge on Saturday last was a pleasant affair. Picnics are great institutions—they should be numerous during the summer months and always well attended by the old and young.

"Simple announcement—please no comments." It is well this request was made in time, for we were prepared to give the Major a handsome notice. Still we cannot be denied the privilege of wishing the happy couple a long, prosperous and happy life.

Saturday, the 1st of July next, has been chosen as the day for the meeting of the County Committee of the Union Party of Huntingdon county. There are a few changes since last week in the names of gentlemen composing the Committee. Read.

Contracts have been awarded to Mr. David Black to do the carpenter work, and to J. M. Cunningham & Son to put in a heater for warming the Court Room. The work of repairing has already commenced in the Court House, and from what we understand it will be thorough and beautiful.

The next is the Fourth of July. A. D. 1865. We think those who have lived through the war should try and commemorate this day, and feel like our forefathers did in 1776—Bring out the tom-ahawk, let the whang-doodle scream, flicker your squawker, hang out your banners on the outer wall, and all ye orators give a grand display of "spread eagle" rhetoric, and let everything and everybody conspire to make it a grand, "glorious" Fourth! We can do it!

## Steamboat Etna Makes Appearance.

The long-looked-for steamer arrived here from Williamsburg at half-past three o'clock on Friday last, having left the former port at seven A. M. Though steamboats have long been in existence, and we are occasionally pained to hear of collisions, explosions, &c., yet the novelty of a steamboat on the Juniata canal created some excitement in this place, and brought down a crowd to see it, some even having gone a distance of a mile or more for the purpose of having their curiosity satisfied in seeing the vessel and having a christening ride. We can imagine how the residents of towns situated along the canal must have stared and wondered when the first canal boat drawn by mule power made its appearance, and we think the modern case can be suitably compared and applied. We have not learned definitely how the people between here and Hollidaysburg greeted the advent of the steamer, but we infer their joy knew no bounds.

As for the boat we were pleased with its appearance. The "internal improvements" are stylish, easy and comfortable, and we are sure none will complain of a tortured head or dusted body who ride in the Etna's "cabin," as is always the case in car traveling. We think the cabin alone will hold fifty passengers. Though riding on deck is not the most comfortable, on account of the numerous bridges making the passenger bow the head, yet this is an inconvenience that can easily be borne, in view of the fact of picturesque scenery and invigorating mountain air.

The speed of the vessel to this place was necessarily slow, and cannot be considered the standard rate of traveling. Improvements are yet to be added to the Etna, in the way of facilitating motive power, that will insure the average rate of five miles an hour. This is good speed considering the disadvantages under which it travels.

The Etna left this port at six P. M. on the same day of its arrival. We do not know the number of passengers. We understand that regular trips will be made between Hollidaysburg and here by the middle of this week, after the necessary improvements are completed.

### Public Meeting.

At a meeting, held at the Court House on Friday evening, 23d inst., for the purpose of making preparations for properly celebrating the coming Fourth of July, John G. Miles, Esq., was called to the chair; and J. Sewell Stewart, Esq., appointed Secretary.

After the President had stated the object of the meeting, it was moved and adopted that a committee of five gentlemen and five ladies be appointed to make the necessary arrangements.

The following were the committee appointed: John W. Mattern, John M. Bailey, William Dorris, jr., Samuel T. Brown, Benson M. Greene, Miss Cornelia Weisting, Mrs. John M. Cunningham, Mrs. James Glazier, Mrs. David Blair, Mrs. William Dorris, Miss Jemima Whittaker, Miss Annie Wilson.

Power was given to the committee to add to their number and fill vacancies. On motion it was Resolved that the celebration be in accordance with the proclamation of Governor Curtin, in honor of the returned soldiers.

Adjourned to meet on Friday evening the 30th inst.

### Patrol Accident.

On Friday morning last, Mr. Henry Snare, a carpenter of this place, while employed at Hanigan's house on Railroad street, fell through a scaffold about four feet high upon a chisel, which fell at the same time. The chisel entered the center of his left foot and penetrated entirely through a distance of about three inches making a frightful gash. So tight did it hold that one man could not pull it out, and a hammer had to be used. It is thought it will be some time before he will be able to walk upon it, if ever.

### Our New Office.

Before another paper is issued, we will be removed to our new office on the corner of Washington street and Globe alley, and on the end of the same lot upon which our office at present is. We have heretofore mentioned that the office is suitably adapted to our business, having plenty of light and plenty of room; in fact everything would indicate that it is "just the place" to do good printing. We expect to receive numerous calls from our friends and patrons when we are moved.

### New Volume.

We this week launch the first number of Volume Twenty-one of the *Globe*. As we cannot say for the paper more than our patrons know, we will therefore say nothing, except to solicit a continuance of their patronage.

It is well to have music attending your yearnings as well as pleasant hours. So we are led to think when "picking the everlasting type," as the musical lungs of a neighboring dandy with the strains of a familiar "ditty" to our ears. Let it continue.

## 1776--FOURTH OF JULY--1865.

The undersigned committee appointed by a meeting of the citizens of the borough of Huntingdon to make arrangements for the celebration of the coming National Anniversary, hereby give public notice to the citizens of the said borough and vicinity, that they have adopted the following as the order of the celebration of the same, at THE COTTAGE GROVE.

1. Public Procession of returned Soldiers and Citizens, to be formed with martial music, in the Diamond, at 9 o'clock, A. M., by the Chief Marshal and Assistants.

2. Prayer.

3. Reading of Declaration of Independence.

4. Reading of Emancipation Proclamation of the late lamented President.

5. Oration.

6. Free Dinner to the Returned Soldiers of Huntingdon County, who will be thus welcomed home, and are specially invited to attend as the honored guests of the citizens of the said borough.

7. Display of Fire Works in evening. Singing patriotic songs, at proper times, in the said order of the day, accompanied by the Amateur Glee Club. They would respectfully recommend to their fellow citizens of the said borough, in view of the events of the last four years past, resulting, as they have, in the Providence of God, in the complete overthrow of armed Treason and Rebellion against the rightful supremacy of the National Government and return of Peace throughout our beloved country, to close all of their places of business on that day, and unite in celebrating it as a day of all others, thus again made the most dear and memorable in the history of their country.

It is expected that the citizens of the said borough and vicinity will furnish the "Free Dinner for the Returned Soldiers" by the necessary contributions for the same, to be delivered to the sub-committees, which will be appointed for their collection, by 9 o'clock in the morning, so that the same will be arranged on the table at the proper time.

JOHN W. MATTERN and others, Committee.

### Huntingdon County Soldiers' Monument Association.

A meeting of the citizens favorable to the erection of a Monument to the memory of the soldiers of this county who have fallen in the war for the Union, was held pursuant to previous notice in the Court House on Tuesday last, for the purpose of inaugurating a movement in this direction.

The meeting was organized by calling John Scott, Esq., to the chair and appointing Captain B. X. Blair Vice President, and R. McDivitt Secretary. The object of the meeting was then briefly stated by the Chairman.

When it was moved by Capt. J. D. Campbell that a Committee of 18 be appointed on permanent organization to report a list of permanent officers and also a constitution or articles of association for the Society.

This motion was adopted after some discussion, and the following persons were appointed by the chair as said Committee: Capt. J. D. Campbell, Chairman. Capt. J. Winthrope, James Cree, J. G. Miles, Esq., J. M. Bailey, Esq., S. McVilly, Esq., Perry Moore, Rev. S. H. Reid, Thomas P. Love, Wm. M. Phillips, Saml. Thompson, William Lewis, John Cummins.

On motion, Resolved that this Committee be instructed to issue an appeal to the people of the county urging them to give the subject their attention, and soliciting their assistance. The meeting then adjourned to meet on Monday evening of the first week of the coming August Court.

JOHN SCOTT, Pres't.

The system of closing the stores at seven o'clock was experimented upon a few evenings of last week. It was discouraging to the clerks to see how the experiment was made. One evening, only two stores closed at the punctual time; the next evening the number was slightly increased, but instead of closing entirely the doors were left open and the gas allowed to burn. This mode of closing could not last long and three evenings ended the plan of closing at seven and disappointed the sanguine expectations of the clerks.

There was a slim meeting of persons interested in the Soldiers' Monument cause, on Tuesday afternoon last, but there was a little business done, in which a Committee to choose a mode of permanent organization was appointed. The further consideration of the subject was, however, postponed till the first week of August court.

The public schools of this borough closed on Friday last for a term of two weeks, the next session commencing on the 4th of September. We expect teachers as well as pupils will enjoy their vacation "hugely" as both have been exercised to the full tension of their teaching and teachable capacities.

## Testimonial.

We, citizens of Juniata township, Huntingdon county, saw the name of JOHN B. SHREFFER proposed as a candidate for the office of Sheriff of said county. We have known him for a number of years; he is a sober, industrious, and honest old farmer. We think him competent and a very suitable person for that responsible office; worthy of your suffrages, and recommend him to the people of this county as such.

Wm. White, William Dean, Lon. Ridenour, H. S. Garner, George Hawm, John Thompson, Peter Hawm, John Hawk, Isaac Hawk.

—There was a meeting held on Friday evening last in the Court House Hall for the purpose of making suitable preparations for a general celebration on the Fourth. A Committee of Arrangements consisting of ladies and gentlemen has been appointed, one of whose duties will be to canvass the borough for money to assist in the patriotic movement. It depends therefore, mainly upon the countenance and encouragement they receive what kind of a Fourth we will have. Our citizens will give nobly and liberally.

The preparations for the Fourth that are suggested will be grand, if the proper means and sufficient funds are forwarded and contributed to aid in the work. Committees have been appointed, one to canvass the borough for money, another to have the town appropriately decorated, and others with other duties. Read the programme of celebration published in today's *Globe*.

### Dental Operations.

Dr. J. W. Isenberg, of the firm of Bittner & Isenberg, of Altoona, will visit Harrisburg on Thursday and Friday, 6th and 7th of July, for the purpose of performing dental operations. Persons desiring his services will please call at Chamberlin's Hotel on the afternoon of the first or on the forenoon of the second day, as he cannot remain longer than part of 2 days.

On Friday afternoon last there was quite a lively time spent by all the scholars of the public school in School-room No. 3, over the event of their approaching vacation. The house shook with the merriment created by an unusual exhibition of wit from the County Superintendent. All thanked him for the laugh.

Money Order Post offices are to be established in Altoona, Bedford, and Bellefonte, to operate on and after the 3d of July next. As this is not one of the least important towns in this section of the State, we would suggest that the same public convenience be established here.

Wednesday last the 21st instant, was the longest day in the year. We think it was a very short one to those who greeted returning loved ones, fresh from the field of strife. The days are now shortening, and will continue lessening until December 21.

A Popular Song.  
The following has become a popular song. The words are beautiful and express the hopes of a prisoner confined in a rebel dungeon awaiting rescue: TRAMP, TRAMP, TRAMP.

In the prison cell I sit, Thinking, mother, dear, of you, And our bright and happy home so far away, And the tears they fill my eyes, Spite of all that I can do, Tho' I try to cheer my comrades and be gay.

Chorus—  
Tramp, tramp, tramp, the boys are marching, O, cheer up comrades they'll come; And beneath the starry flag, We shall breathe the air again, Of the freedom in our own beloved home.

In the battle front we stood When their fierce charge they made, And they swept us of a hundred men or more, But before we reached their lines, They were driven back dismayed, And we heard the cry of victory o'er and o'er.

So within the prison cell, We are waiting for the day That shall come to open wide the iron door, And the hollow eyes grow bright, And the poor heart almost gay, As we think of seeing home and friends once more.

Decorate.  
It is requested of the citizens of the borough that they decorate their houses in a becoming style with wreaths, flags, etc., for the Fourth.

Fresh Arrival.  
A fresh arrival of new and good Goods just received at John H. West-brook's store in the Diamond, Call and purchase.

Flags for sale at Lewis' Book Store

MARRIED,  
On the 22d inst., by the Rev. G. W. Zahnizer, Mr. GEORGE W. GARRETTSON, to Miss CAROLINE S. MILLER.
