## Declination.

To the Union voters of Huntingdon county:

Your late convention nominated me for Associate Judge. I was greatly flattered by, was truly grateful for, plying between American and Euroand have a right to be proud of the compliment.

A war for national life has just closed. All men had taken sides for or against our Government. I was among its of a population. Indeed, the Governfriends. I at once declare that I will not be in the way of such a soldier's success, and hereby publicly decline the nomination of Associate Judge, and return my thanks to my many personal friends for their kind assurances of their support. I shall be exceedingly gratified if the Union County Committee will place his name on the ticket in my THOS. FISHER. stead.

### Huntingdon, Sept. 2, 1865. Mr. Thomas Fisher.

We publish Mr. Fisher's declination as the Union candidate for Associate Judge. It speaks for itself. It speaks the honest sentiments of an honest friend of a worthy soldier. It speaks the honest sentiments of the Union party of the county, and Mr. Fisher may well feel proud of having such an the brave men who have saved our country.

We publish in another column a card from Sergt. Beaver, of Penn township, announcing himself as an independent Union candidate for Associate Judge. Every reader of the card must come to the conclusion that there is no more worthy man lives in the county, and we shall take the liberty of placing his name upon the ticket at the head of has declined. # The Banner County in the State.

Huntingdon county is the banner Union county in the State. The party throughout the State professed friendship for the soldiers—pledged in words to take care of them when the country should be saved, the war over, and they return home. Many counties have placed one, two or three sol-

For Associate Judge we have Sergt. ANTHONY J. BEAVER, right arm off at the shoulder.

For Sheriff, we have Sergt. JAMES F. BATHURST, right log off. For Treasurer we have Private THOMAS W. MYTON, left arm off at to accept a dishonorable peace. shoulder.

For County Surveyor we have Private JAMES E. GLASGOW.

For County Auditor we have Adju tant WILBUR F. CUNNINGHAM, was slightly wounded.

The above is our ticket. Every man worthy and fully competent to fill nomination men for the purpose of defeating the "banner ticket" the people will be compelled to come to the constrange way of showing its friendship for the deserving soldier.

AFFAIRS IN MEXICO.—A New York correspondent of the Philadelphia Press gives the following description of the situation in Mexico: Intelligence, upon which I fear full reliance can be placed, impels me to state that the Imperialists have forced the army of the Republicans from the Ric Grande, and are now occupying the whole country, with the exception of a small portion of Chihuahua, in which Juarez and his government were at last accounts attempting to make a last stand. My informant, who is a Mexican gentleman of high character, has no doubt that the intelligence is correct. The retreat of the Mexicans was rather a panie than otherwise. Meeting in Richmond-Proposed Reception of President Johnson-Resolutions-Opinions of the People-Slavery Dead,

BALTIMORE, Aug. 30.—The Richmond papers of this morning have been received. A large meeting of citi zens was held on Tuesday afternoon when a series of resolutions were adop ted relative to making arrangements for the reception of President John-

son.
The first resolution expresses the loyalty of the people of Virginia, and denounces the wicked efforts of a portion of the press and people of the Northern States to brand the people of the South with perfidy and insincer ty in their attempt to re-establish llegiance to the Union.

The second resolution declares that he people acquiesce unreservedly in the absolute abolition of slavery, and desire nothing but to resume the du lies of citizenship in the Union.

The third resolution pledges the meeting to support the construction policy of the President, which proposes a restored equality of rights and privileges to all the States, including the power in each to regulate the righ of suffrage for itself as distinguished from the reckless and pernicious theo ies of the socalled radical party.

The fourth resolution recommend the holding of meetings throughout the State, and the adoption of similar resolutions to those of Richmond meet ing, that no shadow of suspicion may est on the people of Virginia. The fifth resolution compliments Gov. Pierpont for his conciliatory

bearing, frank and manly manners, and firm and well-considered statesmanship. A committee was appointed to ex-

end an invitation to President John son to visit Richmond. Speeches were made, and the action of the Govern ment in relation to the late election in Richmond commented upon as wrong and uncalled for.
