Wanted—A New Method of Doing Honor to Distinguished Men.

The Boston Advertiser thinks that any body who will invent for use in this country a new method of doing honor to distinguished men, performs an act of humanity towards a deserving but suffering class.

More About the Draft.

Dr. Rothrock, near the conclusion of his report with respect to the drafts in this district, writes as follows concerning the tricks of the lads who would "go for a sojer."

English Ignorance of America.

Those who took the pains to peruse the speeches recently made by Sir Morton Peto and others of the English capitalists party, and who observed the simple wonder expressed by them every where at everything they saw, appreciate the profound ignorance of even the most intelligent classes in England concerning everything in America.

Lafayette College Endowment.

Why is it that the State Colleges do not seem to grow so fast in public confidence, or in the number of students, or in the amount of donations and endowments contributed for their support, as those schools under the control of some religious denomination?

LABOR SAVING—LABOR MAKING.

Labor saving implements were once thought to be destructive to the interests of the working man, just in proportion as they saved the drudgery of labor.
