SPECIAL NOTICE.

TO THE LADIES.—Do you really intend to cease wearing the beautiful styles now so prevalent or dress less elegantly, because the rebel defl. Davis, was captured in Fashionable Female attire? One moment's calm reflection will surely serve to change your rath resolve. The angels had too much good sense to lay aside their pure chaste robes of white, because they had for a time served to hide the deformities of that Prince of Rebels, the Devil. Can you err in following the example of Angels? Then having made up your minds that you will continue to dress tastefully regardless of rebelacts, do not forget to call at the store of the subscriters, who will be happy at all times to furnish you with such articles of deess as you may desire. Urge your fath, ers, husbands, brothers, neighbors and children to visit the same store. They can here be suited in good articles of Boots, Shoes, Clothing Material, Hats, Caps, Queensware and a general assortment of Groceries, on as rea sonable terms as at any House in town. Store on Southeast corner of the Diamond, Huntingdon, Pa.
