Wednesday morning, June 6, 1866. FOR GOVERNOR,

### Maj. Gen. John W. Geary, OF CUMBERLAND COUNTY.

THE HERO DEAD .- Lieut. Gen. Winfield Scott died, at West Point, New York, on Tuesday morning last, May 29th. His funeral took place on Friday, and was attended by a large number of military and naval officers, and delegations from Congress. Gen. Scott was nearly eighty years of age.

THE FENIANS ADVANCING .- The Fenians, about whom so much has been said and written of late concerning the felly of their gigantic movement against Britain, have finally made a show of fight. A Fenian force under command of Col. O'Neill, formerly connected with the 16th Regiment U.S. Regulars, landed on the Canadian side and captured Fort Eric. Reinforcoments are following after, and several British have been worsted. When the Canadians get fully awakened to the ers; all appointments to be made of issue, it is thought the progress of the Fenians will be changed to their material injury. The United States for suffering and dependent upon the Govces, under command of General Meade, have orders from Gen. Grant to preployment, and could by proper indusvent hostile expeditions leaving the try or exertion avoid such destitution, United States, and to save property suffering or dependence.
