

A PENNSYLVANIAN WANTED.—The

Cleveland Herald gives the following,

which we trust will reach the eyes of

some friend of the departed soldier re-

ferred to: "George Wilson, supposed

to be a resident of Pennsylvania, was

enlisted by Capt. Wm. Kenna, of Co.

B, 8th Ohio Infantry, in June, 1861.

Just before the battle of Gettysburg

he gave the Captain a check for \$60.

During that memorable engagement

Wilson was killed. The captain now

living in this city, has the check, and

says there is some back pay and bounty

due the soldier. Wilson once informed

a comrade, while on picket guard, that

he was born in Pennsylvania; that he

had been absent from home over six

years, and that his parents did not

know anything relative to his where-

abouts. Captain Kenna is desirous of

sending the check to his friends if they

can be found."

ENGLISH PAUPERISM.—The reports

of the Poor Law Board for England

and Wales for the month of March

show that 907,201 paupers were sup-

ported in those countries at the close

of that month, and this is said to be

a very gratifying statement, being over

five per cent. less than at the end of

the corresponding month of 1865, and

nearly eight per cent. less than the

number for the corresponding month

of 1864. This does not represent the

whole number of persons supported

during the month, but the number who

received aid upon the last day of the

month, and it shows that one person

out of every twenty-three of the popu-

lation is regularly supported by the

English and Welsh poor rates. A

more striking commentary upon the

labor systems of those countries can-

not be found.

The reconstruction amendment to

the Constitution passed the House on

Wednesday last by a vote of 120 to

32. It passed just as it was returned

from the Senate, and as published in

our last issue. It will now be submit-

ted to the Legislatures of the States

for ratification.

GOLD UP.—Gold advanced nearly

eleven per cent. in New York on Sat-

urday. It was selling at \$1.60. The

certainty of a European war, and con-

tinued failures in England, produced

a sudden and generally unexpected up-

ward turn.

At present, when there is so much

excitement upon the question of allow-

ing deserters to vote, and which has
