"THE BOYS IN BLUE."-Meeting of the Soldiers' Campaign League, on Friday, June 29th.-General Geary expected to be Present .- As required by the Constitution of the Soldiers' Union Campaign League, I hereby give notice that another meeting of the returned soldiers of Huntingdon county, will be held in the Court House, at Huntingdon, on Friday, the 29th inst.,

at 1 o'clock, P. M. In making this announcement, I would direct the attention of all who are interested in the success of the League, and of the party, and the principles which it supports, to the action of the State Convention that assembled at Pittsburg on the 5th ir.st., and especially to the resolution calling upon the soldiers of Pennsylvania to organize in their respective counties, and to take care that the triumph of our arms be not fruitless. It was a gratification to the delegates to that Convention from Huntingdon, to inform their comrades from other parts of the State, that the soldiers here had taken a step towards organization three months before, and that we were

ficient service in the Campaign. Our Campaign League was formed on the presumption that there would eventually be an association co-extensive with our Commonwealth, and that anticipation is not to be disappointed. The Chairman of the State Convention was given authority to appoint a Soldiers' State Central Committee, and it is to be hoped that in a few days the 'National Union of the Boys in Blue"

will be completely organized. General Geary has been consulted n regard to being present at our next meeting, and has consented, provided other engagements do not provent. If he decides to come announcement will be made next week.

Notice to Regimental Commanders -Late commanders of Regiments of the 14th military district, composed of the following counties, to wit: Juniata, Mifflin, Huntingdon, Centre and Clear field, will please forward to me atonce, the name and post office address of all the Color-bearers and guards, in their respective counties, to enable me to forward to them passes on the Railroads to Philadelphia and return, that they may be present to bear once more their old flags, at the Flag Presentation ceremony, on the 4th of July, in Philadelphia.
