Delegate Elections.

The voters of the Union Party are requested to meet at the usual places, on Saturday, the 11th day of August next, at six o'clock in the evening, in the townships, and 7 o'clock in the boroughs, for the purpose of electing delegates to a county convention to be held at the Court House in Huntingdon, on Tuesday, the 14th day of August, at two o'clock, P. M., to nominate a ticket and transact such other business as the interests of the party may require.

A. H. BAUMAN, Chairman Co. Com.

July 9, 1866. There will be preaching in the German Reformed Church next Sabbath evening.

The time of running of trains on the Pennsylvania Central has been changed. See schedule.

"A friend of truth" is respectfully informed that we cannot take the responsibility of publishing his "article."

Many of our citizens are improving the appearance of their houses by having them painted and repaired.

The spirit of improvement is onward. Very few of our exchanges came to hand this week, an indication that the printer boys were enjoying the Fourth.

The Soldiers Orphans in school at Cassville, this county, were in Philadelphia on the Fourth, and participated in the festivities of the day at the flag presentation.

Mr. Thomas Burchinell has the framework up of a planing mill, on his property near the Cottage Grove.

This will be one of the institutions of this place when put in operation, which will be before long.

The Fourth was celebrated as usual in the ancient borough. The Methodist Sunday School had a picnic at the Cottage Grove, which was interfered with by the rain.

A large party also visited the Warm Springs.

The Reading Times says: Holders of bills on the Venango and Petroleum banks should not sacrifice them as they are all secured by deposits in Harrisburg.

Crawford county and Oil City bills are not secured, and are worthless, except as waste paper.

Mr. Moore, of Petersburg, while endeavoring to separate two men who were fighting in front of his store on the evening of July 8, was struck on the head by one of them with a heavy piece of iron, and a serious wound inflicted.

The guilty man is a German named Freilinghuysen. He was arrested and is now in jail.

The county of Huntingdon, we learn, was better represented at the celebration in Philadelphia than any other county in the State.

One who was there states that there were over four hundred of our people present.

This is an evidence of Mother Huntingdon's patriotism.

To-day, sixteen years ago, the first train passed westward over the Penna. Railroad through this place.

"What wondrous changes since sixteen years ago!" Now, about forty-five trains, freight and passenger, pass here daily.

In those sixteen years Huntingdon might have been a city, but we think it will take sixteen more to make it.

Saturday and Sunday last were the hottest days of the season. The weather was what might be styled sweltering hot.

A faint idea may be conveyed of the intensity of the heat (which we suppose all experienced, however) when we state that the thermometer stood 98° in the shade.

A delightful rain succeeded on Monday, which was a blessing in many particulars.

The lead and zinc mines about a mile south-west of Birmingham, this county, are still in working condition.

The lead works are being built near the railroad at Birmingham.

We learned that about two thousand tons of lead ore had already been taken out, which had been found in quantities, no vein having yet been struck.

The work will be prosecuted with renewed vigor when the works are completed.

A correspondent of the Johnstown Tribune, who reports the base ball match at this place, on the 2d, writes as follows:—"The playing was excellent on both sides. Bailey of the Social, and Montgomery of the Kicks, we observed, were severely applauded for fly catches in the far outer field."

Both clubs acquitted themselves handsomely, as gentlemen, and as players. No accident happened, nor did anything occur to mar the pleasure of the parties; the utmost good feeling prevailed.

The Kicks shall ever bear in kind remembrance the courteous treatment they received from the members of the Social club, and the ladies and gentlemen of Huntingdon."

Match Game.

Another match game of base ball was played on the grounds of the Social on Monday, July 2, between the first nine of the Kickanapawling, of Johnstown, and the first nine of the Social. We have never had the pleasure of witnessing a game that excited so much interest in outsiders, or in which the players exhibited so much earnestness to win.

Both clubs were organized in May last, the Kickanapawling the first of the month and the Social the latter part. We understand that some of the members of the Kick's (for short) nine were old players, while none of the Social's nine ever played a game of base ball before organization; but notwithstanding these odds, the Kick's found a worthy opponent in our boys.

Another disadvantage sustained by the Socials was losing Kooker, who occupied the 1st base, the most important position in the field. Mr. Kooker took sick at the conclusion of the third innings, and another man was substituted. Our boys were not sanguine of victory, but yet they fought hard and well to obtain it, and after the fourth innings began to gain on the Kicks, but the latter club, feeling very desirous to win at the last innings fought surpassingly well, and beat the Socials by two runs.

The Johnstown nine were hospitably entertained at the Exchange Hotel, at the conclusion of the game. The Social will play the return match on the Kick's grounds, as soon as they find it convenient, which we hope will be before long. The following is the score of the game:

Tribute of Respect.

WHEREAS, Almighty God has, in His providence, deprived us of a friend and faithful associate, W. F. KINSLEY, a member of the Social Base Ball Club; therefore,

Resolved, That in this dispensation we acknowledge the supreme will of Him who doeth all things well, and low in humble submission to His omnipotence.

Resolved, That we as fellow-members feel that we have sustained an irreplaceable loss which we deeply lament—a loss on the field, where he was always ready to attend, and where he showed by his activity and earnestness a devoted interest in doing whatsoever his hands found to do—a loss to society, where his cordial demeanor and words of cheer and assurance had endeared him to all that knew him—and a loss to the community, which has been bereft of a good citizen and a promising young man.

Resolved, That we tender our heartfelt condolence to the parents and relatives of the deceased, and with them we mourn.

Resolved, That a copy of these resolutions be preserved in the archives of the Club, and that a separate copy be presented to the parents of the deceased, and to the several papers of the town for publication.

DIED.

At the residence of Mrs. L. C. Hall, Huntingdon, the evening of the 3d inst., WILBUR FISKE KINSLEY, aged 24 yrs., 10 months, and 13 days.

The deceased was a comparative stranger in this place, having been a resident only about three months, but by his generous disposition and christian character, had already made for himself many warm friends.

When but ten years of age he obeyed the divine command "Remember now thy Creator in the days of thy youth," and consecrated himself to the service of God. The grace of God sustained him in life for fourteen years, three of which were spent in the service of his country.

From 1852 to 1855, and enabled him to triumph gloriously over the last enemy. We mourn for him, but not as those having no hope, for we confidently, through grace, expect to meet him again.

"Servant of God, well done! Thy glorious warfare's past; The battle's fought, the race is won, And thou art crowned at last."

At the residence of her daughter, Mrs. Benedict, in this place, on the 3d inst., Mrs. ROSS, aged about 89 years.

At the residence of her brother, Rev. James C. Clarke, of this place, on the 7th inst., LIZZIE CLARKE, aged 21 yrs., 10 months and 15 days.
