A Good Supper.

Capt. Snell, of the Jackson House, extended an invitation to the first nine of the Social Base Ball Club, and a few others, to partake of a supper at his House on Saturday evening. The members of the Social were on the grounds as usual, at the appointed time, ready instead of bat and ball. We need hardly say it was a good suppor, as it might be supposed it would be; and the mem. bers of the club after making the "home base" on the desserts, and scoring a great many "fly catches" of the viands agreed that it was a splendid ovation. The members of the Social will remember Mr. Snell for his kindness, the manifest appreciation he has of our National Game, and the interest he shows in the "first nine's" bodily welfare as well as in their success. According to announcement the Soldiers' Orphans from the Cassville school, arrived in town on Wednesday afternoon last. They rode through the town in wagons, and their appearance attracted considerable attention, added to the martial music discoursed by a band of boys of the school. In the evening they gave a concert in the Court room, and it was crowded to suffocation. Everybody was pleased with the entertainment. During their stay they were well entertained by our good people, and the children appeared delighted with their trip. The large majority returned to their homes on Thursday. The school has a vacation of five weeks. We hope

Among the many names spoken of in connection with the nomination for the office of Associate Judge at the appreaching Union Corvention is that of HENRY BREW. STEHL, Req. of Shirleyshurg. It is believed that Mr. Hrewster if elected, would fill that position with credit, both to himself and the community he would represent. It is b lieved further then that Mr. Brewster has claims upon the suffrages of the people of Huntingdon County dating back to the time of its dismemberment some twenty years ago, claims which have never been liquidated or cancelled. Furthermore Mr. Brewster, though he has never personally stood in the ranks as a soldier, yet he has furnished three sons for the Union army. One for four years, one for three years, and another for one year; each of whom received an honorable discharge at the expiration of his term of service. Moreover Mr. Brewster has always been the soldiers friend and supporter, and has uniformly sustained that cause which has given the soldiers glory and renown.

TRUTH.

Aug. 1, 1800-1c2.

MR. Lews:—Among the many names I have seen print and heard mentioned in connection with the nomination for Associated Judge, I have not yet seen that of a soldier. Permit me, then, to suggest GEORGE W CONNELLUS of Shitleysburg. Mr. C. is well qualified for the position, is a firm Union man, and served his Country in the late War.

July 25, '6C-te.*

WM.LEWIS, FSC:—It will be admitted that the lower end of the county is entitled to the nomination for Associate Judge. In view of this fact I would recommend the name of SAMUEL MYSITY, Esq., of Clay township, to the attention of the voters, as a gentleman who is worthy and well qualified to perform the duties of the position,—Subject to the Union nominating County Convention, July S. 1860.*

We are requested by a number of citizens of the lower end to announce JOHN C. SMUCKER as a candidate for Regester and Recorder, subject to the decision of the Union County Convention. Mr. Smucker is a graduate of the Hilledophia College, and is a very worthy young man, tally qualified for the position. He was disabled while fighting the battles of his country, 1925.

BRADY.

PROTHONOTARY.

MRESHS. ENTROS:—A Prothonotary is to be elected in October next, and we are laupy to hear that Mr. J. RAN. DULPH SIMPSON, of Huntingdon, is a candidate for nomination, subject to the will of the Union County Convention, and that his prospects for a unanimous nomination are almost certain. There could not be a better choice in the county, as he is an industrion's young man, fully acquainted with the business of the office, and better than all, in a public officer, takes pleasure in accommodating and attending promptly to the business of those who have occasion to visit him. His calains are equal if not superior to any others, from the fact that he perfectly understands the very complicated business of the Prothonotary's office; is well versed in the laws of the land; and in the dark hours of our country's peril gave his all in defense of our sacred institutions, and to preserve untablished the honor of our flag. The Union-voters of Huntingdon county will ratify with pleasure his nomination.
