22 PHYSICIANS are invited to test its efficacy in all cases of Rheumatism, Affections of the Spinal Column, and all Diseases of the Skin, Muscles and Glands. It has been used in thousands of instances under the personal supervision of the Inventors, and has never disappeinted their expectations. All we ask for it is a trial—experimental proof—not the testimony of the men of straw, are the vonchers we desire to present to the public. It would be well for many now lying in beds of torture, if these facts could reach their sick chambers. It is more important to them than to the inventors that this should be the case. THE LADIES.—Do you really intend to cease wearing the benutiful styles now so prevalent, or dress less elegantly, because the rebel Jeff. Davis, was captured in Fashionable Female attire? One moment's calm reflection will surely serve to change your rash resolve. The angels had too much good sense to lay aside their pure chaste robes of white, because they had for a time served to hide the efermittee of that Prince of Rebels, the Devil. Can you err in following the example of Angels? Then having made up your minds that you will continue to dress tastefully regardless of relealets, do not forged to call at the store of the subscri-bers, who will be happy at all times to furnish you with such articles of dress as you may desire.
