I do not propose to cure every disease—only a class named by my directions. My limiment operates on chemical and electric principles, and is, therefore, appliable, to the cure or natural restorative of all organic deringement arising from an improper circulation of the nerve vital fluids.

Prof. J. H. McEntyre's INDIAN COMPOUND acts directly on the absorbents, reducing glandular and other swellings in incredible whert time, without any possible danger from its use under any possible circumstances.

This is an internal and external medicine—composed of roots, herbs and, backs, sach as our forefathers used.—Thore is a bountiful supply on earth to cure all complaints if we only know what, they were.
