## The Globe.

HUNTINGDON, PA.

Wednesday morning, Sept. 12, 1866. LOCAL & PERSONAL.

#### To Subscribers.

Those subscribers receiving a paper marked with a † before the name will understand that the time for which they subscribed is up. If they wish the paper continued they will renew their subscription through the mail or otherwise.

Messrs. Honry & Co. have received a large stock of new goods .--Call soon before the stock gets smaller.

We are obliged, through want of room, to omit an obituary of Thomas Wilson, Esq., this week.

#### Public Meeting.

A meeting of the friends of Andrew second best, second be Johnson will be held at Mount Union on Saturday afternoon next. Speakers will be present to address the meeting.

Our young friend Milton S. Lytle has stuck out his shingle as Attorney at Law. We commend him to the public as a prompt and efficient young man. See card.

The Spartans played a club from Altoona on Saturday last which we learn was a selected nine. Conse quence was, the Spartan Club was beaten, score being 39 to 57.

Our thanks are due Mr. Jacob Africa, the accommodating proprietor of the market car, for a large and luscious watermelon. Our friend Jake goes on the principle that a generous business man never loses anything and neither he does.

We are under obligations to Mr. J. B. Shontz for the many favors be has done us during the last two weeks. As he grows older he will no doubt grow wiser. We certainly have no objections to his efforts to persecute us They pay us liberally.

ATLANTIC CABLE.—The Atlantic Ca ble does not surprise the public so much as does the Self Rocking Cra dle, manufactured and for sale by J. M. Wise. He also keeps hand-swing and rocking cradles in connection with all other furniture. Coffins made to

The County Fair, The premium list is published in today's Globe. The ground is being prepared for an extensive exhibition, and we may expect a large crowd and an extensive display of every thing usually to be found at a County Fair. We urge every farmer to bring something for exhibition.

## A Good "Goke."

A gentleman called at our office several days ago and said he could not support the Globe any longer-paid us \$16 for eight years he was in arrears, we were delighted, and he had the pleasure of taking his name off our list of patrons. No doubt the next time he comes to town he will be surprised to find the Globe still in ex tence.

The Journal & American would like to impress its readers with the belief that its leaders-Thad Stevens 1 & Co.,—are not in favor of negro suf--frage as opposed to rebel suffrage. In | cr its report of the speeches made at the Geary meeting in this place it leaves out the expressions of Hon. Wayne McVeigh and Mr. Keatly, although he (Robert) had taken thom down in short hand. Those who were present to hear and can remember will not dony that the negro and negro suffrage was the sum and substance of the remarks of the speakers generally. The Journal & American can not dodge the issue.

## Slightly Disappointed.

The Radical Republicans appear wonderfully surprised that we should refuse to obey their dictation. We are too old in politics and know too wel the tricks of unprincipled politician to have wool pulled over our eyes. W never denied our Democracy, and nev er agreed to be swallowed up by Tha-Stevens, Fred Douglass & Co. Th contest as carried on by the Radical is to secure to the blacks equal suffrag and all other political rights. The De mocratic and Conservative party cor tend for a loyal representation from all the States in the Union, and a Gov ernment under the Constitution, th supreme law of the land.

## DIED,

In Reading, on Monday night the 3d inst., Lieut. Wm. A. H. Lewis, o the United States Army, aged 31 year The deceased, a nephew of the ed tor of this paper, was known to many of our citizens. He served his country in the field during the war as a Lieutenant and Adjutant, and was in several hard fought battles. He was also on General Couch's staff for sevcral months, and was stationed at this place at the close of the war. Last spring he was appointed a Lieutenant in the regular army. About the last of June, he was ordered to his regiment at Mobile, Ala., where, on the second day after his arrival, he was sent to the hospital with the fever. On best carr

the 26th of August, he was brought

home to his young family almost a

skeleton where he lingered until the 3d. | best could be
