- To each while seeking treasure,
- But never mind—that is a loss, Not much to be lamented,
- If we are poor, and would be rich, It will not be by pining,
- Are life's bright silver linings.
- The happiest souls on earth are those, Who smile and are contented.
- And fortune bids us sorrow. From hope we may a blessing reap, And consolation borrow.
- If thorns arise when roses bloom, It cannot be prevented: So make the best of life you can. And smile and be contented.

The great Irish event which cannot be ignored, is the Irish emigration. However people may differ in their thoughts about it, think of it they must. You cannot pass it over. All Irishmen, worthy of the name, look upon it with great regret enlightened Englishmen, taking imperial views of the matter, do not like it much. But the most narrow minded, and, we hope, the smallest class of them, is composed of persons who rejoice at Irish emigration, as affording the chance of turning Ireland into a Protestant country by putting Protestants into the deserted homes of Catholics, and converting the farm when they cannot convert the man.

This voluntary expatriation may prove that Ireland is badly governed, and that a Republic of the right sort might be an advantage to it, but it also indicates that there is no real expectation of it among the people there.
